DATE OF PUBLICATION: 28 FEBRUARY 2020**

**208. Mr I M Groenewald (FF Plus) to ask the Minister of Finance:**

What is the (a) total number of staff and (b) remuneration budget of each provincial department, per directorate in each provincial legislature?

NW267E

**REPLY:**

Below is the personnel information and the 2019/20 Compensation of employees adjusted budget per provincial department. Data has been provided at a departmental level as information per directorate is not readily available and would be best if it is sourced directly from Provincial Treasuries. Further information on personnel numbers and budgets per Programme is provided in the 2019/20 Estimates of Provincial Revenue and Expenditure which can be accessed at the National Treasury website under the following link;
