NOTICE TO ALL BIDDERS

NT018-2016: PUBLIC TECHNICAL ASSISTANT TO ADVISE, ASSIST AND SUPPORT THE DEPARTMENT OF BASIC EDUCATION IN THE DELIVERY, OVERSIGHT AND SUPPORT TO PROVINCIAL EDUCATION DEPARTMENTS IN THE PLANNING AND DELIVERY OF INFRASTRUCTURE IN ACCORDANCE WITH THE INFRASTRUCTURE DELIVERY MANAGEMENT SYSTEM (IDMS).

Please note that on the above mentioned bid there is a discrepancy between the special condition of contract and the terms of reference.

The terms of reference indicated that bidders need to get 35% for methodology alone to qualify for the second stage of the evaluation (interview). However the special conditions of the contract indicated that the bidder needs to get 75% for methodology, qualifications and experience to qualify for the second stage of the evaluation.

Subsequently to that the bid will be evaluated in terms of the special condition of contract.

NB: Kindly find attached the revised Terms of Reference reflecting the above mentioned amendment.

Yours faithfully
