(a) Transferring, creating an interest in or dealing in any other way with assets and liabilities of the designated institution; and

(10) An action in terms of this section does not by itself give rise to any right by a party to, or a person who holds an interest in, an agreement referred to in subsection (7).

Outcome of resolution actions

166T. The Reserve Bank may exercise and perform its resolution powers in terms of this Part, and its associated powers, in relation to a liability of a designated institution in resolution in a way that results in the liability being substituted with a shareholding in the designated institution or in a bridge company.

Creditor hierarchy and *pari passu*

166U. (1) The Reserve Bank must not take a resolution action, and must ensure that a designated institution in resolution does not take a resolution action, if it appears to the Reserve Bank that the result of the action would be that the value of a claim of a creditor of the designated institution would be reduced.

(2) The value of assets to which the creditor or shareholder becomes entitled in relation to the action must be taken into account in applying subsection (1).

(3) Failure to comply with subsection (1) does not invalidate an acquisition of property by a *bona fide* purchaser for value who is not aware of the failure to comply (but may give rise to a right to compensation in the creditor or shareholder).

(4) As soon as practicable after the Reserve Bank receives a valuation in terms of section 166Q(2) in respect of a designated institution in resolution, the Reserve Bank must—

- (a) consider, having regard to the valuation, whether a creditor or shareholder of the designated institution received, in respect of resolution action, less than it would have received if the designated institution had been wound up; and
- (b) if it considers that such a creditor or shareholder received less than it would have received if the designated institution had been wound up, determine the amount of the shortfall.

(5) If the Reserve Bank makes a determination in terms of subsection (4)(b), the creditor or shareholder is entitled to recover from the designated institution the amount of the shortfall.
