## **MEDIA ALERT: COMMUNITY SURVEY 2007**

---

The Minister of Finance Mr Trevor A Manuel, MP invites you to a media briefing about the launch of the first ever South African Community Survey.

The Community Survey is a large scale household survey [about 280 000 households] conducted by Statistics South Africa in an attempt to bridge the data gap between censuses. The survey will focus on employment/unemployment levels, the extent of poor households, access to facilities and services as well as demographic and socio-economic data. This survey is especially critical for government in its drive to improve service delivery.

**Venue: 40 Church Square, Pretoria**

**Date: Monday, 22 January 2007**

**Time: 10:00**
