MEDIA ADVISORY

2023 BUDGET TIPS – MAKE YOUR VOICE COUNT

The Minister of Finance, Mr Enoch Godongwana, will deliver the National Budget Speech on 22 February 2023. As usual, the budget allocation always aims to strike a balance between competing national spending priorities and limited resources.

It is in this context that Minister Godongwana invites South Africans to share their suggestions on the Budget. People may submit views on:

- municipal finances
- government spending priorities and what these should be
- addressing a large budget deficit
- stabilising State-Owned Entity finances
- managing the energy crisis
- tax revenues
- debt sustainability

Minister Godongwana looks forward to your contributions.
