JOIN THE LAUNCH

 **19th June 2023**
 **9:00am–11:30am**
 **Online: Zoom**
 **Register here**

The lack of spatial economic information has been a handicap for government, business and civil society leaders who lack reliable evidence on which to base crucial decisions. This event launches a new collaborative initiative to fill this gap by harnessing tax data and other administrative sources.

KEY HIGHLIGHTS

Featuring keynote
from Minister
of Finance,
Mr Enoch Godongwana

Launch of 'Spatial
Economic Activity Data:
South Africa'
(SEAD-SA) programme
