

## PRESS RELEASE

## PROVISIONAL FIGURES ON LOAN ISSUES, EXTRAORDINARY PAYMENTS/ RECEIPTS AND CASH BALANCES AS AT 31 MAY 2009 ISSUED BY THE DIRECTOR GENERAL: NATIONAL TREASURY

During May 2009, domestic short-term loans (net) increased by R9 509.8 million and domestic long-term loan issues inclusive of repo's and net of redemptions increased by R7 913.2 million.

The 2009 Budget Review provided for R75 billion of the R153 bond to be switched before maturity. To date, R61 billion of the R153 bond has been switched, leaving R33,3 billion maturing over the next 3 years. No further switches will be entered into. This will result in R5 billion higher domestic loan redemptions for 2009/10, which current funding levels already provide for.

Government issued a 6.875 per cent US\$1 500 million foreign loan due 2019 which raised R12 275 million. Redemptions amount to R5 216.8 million mainly due to the redemption of the 9.125% US Dollar Notes. In addition R8.5 million was drawn and R216.7 million redeemed on arms procurement loans.

Extraordinary receipts to the amount of R263.8 million were received mainly in respect of premium on bond issues for financing (R61.0 million) and profit on conversion of foreign loans (R202.7 million). No extraordinary payments were made.

Government's balances in the South African Reserve Bank accounts, mainly sterilisation deposits, amounted to R71 513.9 million. The sterilisation deposits are not readily available for financing government's borrowing requirement, as this would increase the money market liquidity. Operational cash balances with Commercial Banks amounted to R10 927.5 million.

More detailed information on the provisional figures will be included in the monthly statement of the National Revenue, Expenditure and Borrowing which will be released on 30 June 2009.

## Released on 2 June 2009.
