QUESTIONS AND ANSWERS –RT275-2024: SUPPLY AND DELIVERY OF SPEECH THERAPY, ASSISTIVE DEVICES AND ACCESSORIES TO THE STATE

#	QUESTIONS	ANSWERS
1	Is the date on TCD13.2 Page 4 correct (30 May 2026)?	The date is amended and the revised TCD 13 is uploaded on the website.
2	Missing items under category 12 Assistive Services and General Assistive Services.	The services for hearing impaired and general assistive services are included. Refer to revised Annexure B: Pricing Schedule
3	Feeding Section: The products here are small and low value, I found in the tender hospitals would order very small quantities I had minimum quantity but even those were small value. If one can quote for a box or carton rather than per item (each). The delivery costs have escalated, and it is difficult to delivery 1 or 2 of these small items. There is no space in the pricing schedule to indicate minimum order quantity or box	Revised Annexure B published. Additional Column “minimum order quantity and UOM offered spec deviation.
4	Under Tracheostomy there is no starter kit or accessories for changing/replacing the special medical sponge	Submit pricing for all optional accessories and consumables that are compatible to the product offered indicating which products the relate. Refer to Special Conditions of Contract under paragraph 6.4.1.7
5	Request extension of closing date because of December holidays including overseas manufacturers were closed until January, therefore they will not be able to complete the bid on time.	The closing date has been extended to 16 February 2024 @ 11H00. The notice to bidders no 1 is available on the website (Etenders portal and National Treasury).

#	QUESTIONS	ANSWERS
