

AMENDMENT 20

CONTRACT: RT4-2023: SUPPLY AND DELIVERY OF EMERGENCY AND RESCUE EQUIPMENT TO THE STATE

SUBJECT: Eresa Africa (Pty) Ltd and Torinet (Pty) Ltd contract cancellation

The National Treasury hereby informs all participating organs of state in the above-mentioned contract that the contracts awarded under RT4-2023: Supply and Delivery of Emergency and Rescue Equipment to the State, to the following suppliers have been cancelled with immediate effect:

- **Eresa Africa (Pty) Ltd;** and
- **Torinet (Pty) Ltd**

As a consequence of the above cancellation, these suppliers are no longer authorised to receive or fulfil any orders under this transversal contract.

Interim Procurement Arrangements

Participating organs of state are hereby advised that where items previously covered under the RT4-2023 contract are required, organs of state may proceed to procure such items using their own delegated procurement authority, in full compliance with applicable supply chain management prescripts and legislation.

Way Forward

The National Treasury is currently in the process of finalising a supplementary bid to re-establish contracting arrangements for the affected items. Further communication will be issued in due course regarding the outcome of the supplementary bid process.

The National Treasury appreciates your cooperation and adherence to the above interim measures.

Kind regards
