**CONTRACT RT11-2019: SUPPLY, DELIVERY AND OFF-LOADING OF ANIMAL FEEDS TO THE STATE FOR THE PERIOD 1 JULY 2020 TO 30 JUNE 2023.**

1. This contract will be subject to the General Conditions of Contract issued in accordance with Chapter 16A of the Treasury Regulations published in terms of the Public Finance Management Act, 1999 (Act 1 of 1999). The Special Conditions of Contract are supplementary to that of the General Conditions of Contract. Where, however, the Special Conditions of Contract are in conflict with the General Conditions of Contract, the Special Conditions of Contract will prevail.
2. The contract circular for the aforementioned contract distributed to user departments by the National Treasury, constitutes the official pricing and binding supply agreement between the contractor and the State. End-user institutions are, therefore prohibited from making any amendments of any nature to the aforementioned contract.
3. The National Treasury will communicate all amendments, if any, to the user institutions. It would only be at the receipt of such notification from the National Treasury that user institutions can effect any changes to this contract.
4. From a financial accounting point of view, it is important to verify the correctness of supplier's invoices for deliveries made in terms of the contract. Should there be any variances between invoice prices and the contract price as reflected in the contract circular, user institutions should query such variances with the relevant contractor prior to processing payment. Payment of prices other than the contract prices will be regarded as fruitless expenditure.
5. User Institutions are required to provide quarterly historic spend of all the orders placed with service providers. The report will indicate the line item number, description, quantities and value of the order. This information will be analysed in conjunction with the service provider

quarterly historic spend and be used for supplier performance management reports.

6. In order to reduce the administration burden, User Institutions must refrain from requesting SBD documents from the awarded service providers as the competitive process was followed at National Treasury. CSD report can be used to access the Service Provider information. The documents listed in section 8 below must be used as supporting documents
7. Please find attached the following documents for your information:
  - 7.1. General Conditions of Contract
  - 7.2. Special Conditions of Contract
  - 7.3. Contract Circular
8. Important general information:
  - 8.1. Please note that the delivered price is for the unit of measure (UOM) offered.
  - 8.2. All prices are inclusive of 15 % VAT.
  - 8.3. All prices are on a delivered basis.
