Where, however, the Transversal Master Agreement Contract is in conflict with the Participation Agreement, General Conditions of Contract and Special Conditions of Contract the Transversal Master Agreement Contract will prevail.
2. The contract circular for the aforementioned contract distributed to State Institutions together with all other annexures constitutes the official and binding agreement between the Service Provider and the State. State Institutions are, therefore, prohibited from making any amendments of any nature to the aforementioned contract, except on the service levels.

- 5.3. State Institutions will identify any of the appointed Service Providers and conclude the Participation Agreement. Once the Participation Agreement is duly signed, the Participant will issue the Service Request(s) with allocated debt book for the duration of six months.
- 5.4. State Institutions are responsible for performance management, supplier relationship management and dispute resolution. Failure to resolve the dispute, both parties may escalate and notify in writing to the National Treasury – Chief Director: Transversal Contracting for further dispute resolution, failing which parties may seek legal advice.
