ADDENDUM 6

RT29-2024: THE APPOINTMENT OF SERVICE PROVIDERS FOR AUDIT AND TOKEN IDENTIFIER (TID) CONVERSION OF EXISTING PREPAYMENT METERS AND THE SUPPLY, DELIVERY, INSTALLATION, MANAGEMENT, AND MAINTENANCE OF SMART METERING SOLUTION TO THE STATE FOR THE PERIOD 1 JUNE 2024 TO 31 MAY 2027

UPDATED CONTRACT PRICING

The contract pricing has been updated effective 15 October 2024. A final list of items which are not awarded in terms of RT29-2024 will be published in due course.

VALUE ADDED SERVICE

The value-added service on RT29-2024 which was included in the 'Contract Pricing Updated Published Final Version' has been removed. It came to the National Treasury's attention that some of the items included in the Value-added Service require its own procurement process outside RT29-2024.

Procuring institutions are required **not to procure the items** listed under value-added services in terms of RT29-2024 unless the services are offered at no additional cost to the purchasing institutions through RT29-2024. In this case, awarded service providers are allowed to present and make available the value-added services to the purchasing institutions, however, at no additional cost.

Yours faithfully,

MANTHEPENG TSHINAVHA
OFFICE OF THE CHIEF PROCUREMENT OFFICER
