End users to revise the specification
RT4-03-001(B) ME	Pneumatic Shoring Strut - 12 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-002(A) ME	Pneumatic Shoring Strut - 12 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-002(B) ME	Pneumatic Shoring Strut - 12 Inch Heavy Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification

RT4-03-003(A) ME	Pneumatic Shoring Strut - 16 - 24 Inch Light Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-003(B) ME	Pneumatic Shoring Strut - 16 - 24 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-004(A) ME	Pneumatic Shoring Strut - 16 - 24 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-004(B) ME	Pneumatic Shoring Strut - 16 - 24 Inch Heavy Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-005(A) ME	Pneumatic Shoring Strut - 22 - 35 Inch Light Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-005(B) ME	Pneumatic Shoring Strut - 22 - 35 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-006(A) ME	Pneumatic Shoring Strut - 22 - 35 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A)ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-006(B) ME	Pneumatic Shoring Strut - 22 - 35 Inch Heavy Duty (It must run as a series from RT4-03-001(B) ME to RT4-03-029(B)ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-007(A) ME	Pneumatic Shoring Strut - 36 - 58 Inch Heavy Duty (It must run as a series from RT4-03-001(A)ME to RT4-03-029(A)ME) See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-007(B) ME	Pneumatic Shoring Strut - 36 - 58 Inch Heavy Duty (It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME) See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-008(A) ME	Pneumatic Shoring Strut - 70 - 110 Inch Heavy Duty (It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME) See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification

RT4-03-008(B) ME	Pneumatic Shoring Strut - 70 - 110 Inch Heavy Duty (It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME) See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-009(A) ME	Pneumatic Shoring Strut Extension - 6 Inch Heavy Duty (It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME) See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-010(A) ME	Pneumatic Shoring Strut Extension - 12 Inch Light Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-010(B) ME	Pneumatic Shoring Strut Extension - 12 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-011(A) ME	Pneumatic Shoring Strut Extension - 12 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-011(B) ME	Pneumatic Shoring Strut Extension - 12 Inch Heavy Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-012(A) ME	Pneumatic Shoring Strut Extension - 24 Inch Light Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-012(B) ME	Pneumatic Shoring Strut Extension - 24 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-013(A) ME	Pneumatic Shoring Strut Extension - 24 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-013(B) ME	Pneumatic Shoring Strut Extension - 24 Inch Heavy Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-014(A) ME	Pneumatic Shoring Strut Extension - 36 Inch Light Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A)ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification

RT4-03-014(B) ME	Pneumatic Shoring Strut Extension - 36 Inch Light Duty It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-015(A) ME	Pneumatic Shoring Strut Extension - 36 Inch Heavy Duty It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-015(B) ME	Pneumatic Shoring Strut Extension - 36 Inch Heavy Duty (It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-016(A) ME	Pneumatic Shoring Swivel Strut Base - 6 Inch It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-016(B) ME	Pneumatic Shoring Swivel Strut Base - 6 Inch It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-017(A) ME	Pneumatic Shoring Swivel Strut Base - 9 Inch It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification)	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-017(B) ME	Pneumatic Shoring Swivel Strut Base - 9 Inch It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-018(A) ME	Pneumatic Shoring Rigid Strut Base - 6 Inch It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-018(B) ME	Pneumatic Shoring Rigid Strut Base - 6 Inch It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-019(A) ME	Pneumatic Shoring Rigid Strut Base - 9 Inch It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-019(B) ME	Pneumatic Shoring Rigid Strut Base - 9 Inch It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-020(A) ME	Pneumatic Shoring Raker Fittings It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification

RT4-03-020(B) ME	Pneumatic Shoring Raker Fittings It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-021(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Black It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-021(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Black It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-022(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Red It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-022(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Red It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-023(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Yellow It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-023(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 5M, Yellow It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-024(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Black It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-024(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Black It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-025(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Red It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-025(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Red It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification

RT4-03-026(A) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Yellow It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-026(B) ME	Pneumatic Airhose 9.5mm Diameter, Length 10M, Yellow It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-027(A) ME	Pneumatic Shoring Strut Air gun Regulator It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-027(B) ME	Pneumatic Shoring Strut Air gun Regulator It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-028(A) ME	Dual Dead man Strut Controller It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-028(B) ME	Dual Dead man Strut Controller It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-029 (A) ME	Pneumatic Shoring Vehicle Stabilization Heads Kit It must run as a series from RT4-03-001(A) ME to RT4-03-029(A) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-029 (B) ME	Pneumatic Shoring Vehicle Stabilization Heads Kit It must run as a series from RT4-03-001(B) ME to RT4-03-029(B) ME See the attached specification	As listed in Special Requirements and Conditions	Re-tender: Bidders did not comply with the full series. End users to revise the specification
RT4-03-030ME	Pneumatic Air Tool See the attached specification	As listed in Special Requirements and Conditions	Re-tender: No sample offered for evaluation
RT4-03-037ME	Salvage Sheets 6 X 6M (It must run as a series from RT4-03-037ME to RT4-03-38ME) (As per the attached specification)	As listed in Special Requirements and Conditions	Re-tender: No sample offered for evaluation.
RT4-03-038ME	Salvage Sheets 9 X 9M (It must run as a series from RT4-03-037ME to RT4-03-38ME) (As per the attached specification)	As listed in Special Requirements and Conditions	Re-tender: No sample offered for evaluation.
RT4-03-053ME	Hammer Drill - Electrically Operated (As per the attached specification)	As listed in Special Requirements and Conditions	Re-tender: No sample offered for evaluation.
