In the event that an incorrect price adjustment was made during the calculation of the contract price adjustment, the state reserves the right to adjust the price in accordance with the correct calculation. Recovery of any over or under payment as a result of the application of an incorrect price adjustment will be dealt with by the supplier and the relevant end-user department.

Kindly amend your records accordingly.

This amendment, will also be available on the National Treasury's website on this link: <http://www.treasurv.gov.za/divisions/ocpo/ostb/contracts/default.aspx>.

Yours faithfully,

pp
