ADDENDUM 7

CONTRACT 9-2020: SUPPLY AND DELIVERY OF SPECIALISED PRODUCTS FOR INFANT FEED, COMPLETE ENTERAL FEEDS FOR PAEDIATRICS AND ADULTS, ENTERAL FEED SUPPLEMENTS, OTHER NUTRITIONAL SUPPLEMENTS AND TUBE FEEDING SYSTEMS TO THE STATE FOR THE PERIOD 1 JUNE 2021 TO 31 MAY 2024

It came to National Treasury's attention that there is an element of misinterpreting the Special Condition of Contract paragraph 25.7 which indicates that 'Upon delivery, powdered products must have at least 9 months' shelf-life and liquid products, 6 months' shelf life before the date of expiry or best before date.

The above paragraph clearly indicates that at a point of **DELIVERY** the shelf life must have a minimum of 9 months for powder and a minimum of 6 months for liquids. On the date which the products are delivered to the participating institutions address, the products must not have less than 9- months shelf life for powdered products and 6-months shelf life for liquid products.

Suppliers must comply to the above requirements and participating departments must report any deliberate non-compliance of the above clause to National Treasury.

Yours faithfully,

MANTHEPENG TSHINAVHA
