MINERAL AND PETROLEUM RESOURCES ROYALTY DATA REQUEST

In terms of section 19 of the Mineral and Petroleum Resources Royalty (Administration) Act, Act 29 of 2008, an extractor must annually submit to the Minister of Finance a report informing the Minister of the volume, value of minerals transferred, how the royalty rates were calculated, the methodology used to arrive at gross sales and the allocation of assets used or expenditure incurred per mineral resource.

The format of the report is available on the National Treasury website (www.treasury.gov.za). Information in addition to that listed in section 19 of the Mineral and Petroleum Resources Royalty (Administration) Act, Act 29 of 2008, is required. This additional information will, in due course, be gazetted as regulations in terms of section 20 of the Mineral and Petroleum Resources Royalty (Administration) Act, Act 29 of 2008.

The completed form should be returned to Londiwe Khoza via royalty.report@treasury.gov.za, in respect of royalty payments from March 2010 to date, by 30 March 2012.

Yours Sincerely

Cecil Morden
