SIYINI ISABELOMALI?

NgoMhlolana wonyaka nonyaka, uNgqongotjhe wezeeMali wethula isabelomali sesitjhaba, lapho amemezela khona ukusebenzisa imali kwakarhulumende, umthelo namahlelo wokuboleka weminyaka emithathu ezako. Isabelomali sesitjhaba sabela imali phakathi kweminyango yesitjhaba, iimfunda nabomasipala.

SIHLANGANISWA NJANI ISABELOMALI?

1. Kukhutjhwe imihlahlandlela yomnyango etjengisa ilwazi elifunekako isabelomali
2. Iminyang ibeka phambili amahlelo wayo beyihlanganise amahlelo wokusebenzisa imali kanye neembopho zokwethulwa kwezenzelwa
3. limphakamiso zesabelomali zethulwa kuZiko lezeemali zakaRhulumende lesitjhaba bese kucowwa ngazo
4. limphakamiso zokwabiwa zitjhejwa makomidi wabaNqophisi Zombelele abangaphakathi kweminyango ehlukeneko
5. limphakamiso zesabelomali zenziwa eKomidini yaboNgqongqotjhe
6. Isitatimende somGomo Wesabelomali Sesikhathi Esiphakathi silitshwayo sesabelomali esizako
7. Kokugcina, iinqusto zokuhlinzekela zenziwa kuKhabinethi
8. Kulungiswa imitlolo yesabelomali
9. Kwethulwa iSabelomali esiKhulu
10. IPalamende icociana beyamukele iSabelomali
11. Sithunyelwa kuMengamelis bona asitlikite sibe mthetho

INDLELA ELINGENEKO MAYELANA NOKUBUYISWA KOMNOTHO

Urhulumende ukhuphule ngokurhabako ukusetjenziswa kwemali eendingweni zezhelalakuhle ezabelwenimali ezimbili ezidlulileko ukuvikela amaSewula Afrika – khulu khulu amakhaya atlzagako.

Ukusetjenziswa kweemali kwezamaphilo, zefundo, zezindlu, eembonelelweni zomphakathi, eenthuthini, emahlelweni wokuqatjha nezenzelweni zakamasipala kukhuphuke ukusuka kuma-58.2 wamaphesende ukuya kuma-59.5 wamaphesende wesabelomali sahlangana kwaka-2019/20 no-2021/22.

Pheze isiqantu sawo woke amaSewula Afrika njenganje athola okungenani isibonelelo sinye sombuso. Ngaso isikhathi lesu, umnotho awukhuli msinya ngokwaneleko kobana abantu abanengi bathole imisebenzi, okwenza kube kumbi khulu ukungalingani nomtlhago.

Isabelomali sizama ukulinganisa irevenyu nokusetjenziswa kwemali.

Urhulumende begade asebenzisa imali khulu kunangendlela athola ngayo irevenyu begodu lokhu kubangele bona iimali zomphakathi zibe buthakathaka. Ukungalingani lokhu kufanele kulungiswe. Ukubhalelwu kukwenza njalo kuzokurholela ekutheni urhulumende aboleke imali enengi kobana akwazi ukubhadela iindleko zakhe. Isikolodo sombuso njenganje sikhuphukele kuma-R 4.35 wamathriliyoni. Kiwo woke amaranda abuthelelwako womthelo, amasende ali-17 asetjenziselwa ukubhadela amakonyana wesikolodo lesi – imali egade ingasetjenziselwa ukutlhma amathuba womsebenzi, ukuthuthukisa ukufundisa nokwakha iimbhedlela. Nangabe isikolodo lesi asehliswa, singarholela emrarweni omkhulu wezomnotho nezeemali.

Pheze iminyaka emibili, iSewula Afrika begade idosa budisi ngonorhatjhekile we- COVID-19 kanye nokubogaboga komnotho. Urhulumende ugalelelentanzi ukusindisa

amaphilo neendlela zokuziphilisa, kanye nokusekela amaSewula Afrika atlzagako, ngesikhathi anzinza iimali zomphakathi ngesikhathi esimbi sokuwa komnotho ematjhumi weminyaka. Ngebanga lokobana ukubuthelelwu komthelo kube ngcono kunokulindelweko kilonyaka, urhulumende uyakghona ukusekela ngeemali amahlelo amanengi arhabako. Kodwana ukuthuthukiswa komthelo okunengi kulindelwe bona kube ngokwesikhathjana. Nangabe umnotho wethu ukhula msinyana, irevenyu izokuba ngcono. Lokho kuzokuvumela urhulumende bona avale isikhala hlangana nerevenyu yakhe nokusebenzisa kwakhe imali, bese unzinzisa iinkolodo zakhe.

Isabelomali sinikela ngemali ezokusetjenziswa engezelelweko yesikhathjana, khulu khulu ukusekelwa okungeziweko kweembonelelo zakarhulumende, ukutlhanywa kwamathuba womsebenzi kanye nomkhakha wezamaphilo kobana

uragele phambili nokulwisana ne-COVID-19. Ngaso sona lesu sikhathi, urhulumende uzokuragela phambili neqhinga lakhe lesikhathi esiphakathi lokuphungula ukutlhayela kwesabelomali kanye nokukhandela ukukhula kweenkolodo. Isabelomali saka-2022 singezelela ama-R350 qobe ngenyanga okusibonelelo esikhethekileko se-COVID-19 sehlalakuhle iinyanga ezili-12. Kodwana ukungezelela isibonelelo ngale kwakaNtaka 2023 kuzokuthhogeka bona kumadaniswe nomthombo wesekelo leemali lasafuthi, okungatjho ukukhutjhulwa komthelo namkha ukwehliswa kokhunye ukusetjenziswa kwemali kombuso. Urhulumende wenza imithetho namanani wesibonelelo sasafuthi, kanye neendlela zokuthola imali kobana aqinisekise bona akubizi. Ezinye iimemezelo zizokwenziwa esiTatimendeni somGomo Wesabelomali Sesikhathi Esiphakathi saka-2022 (MTBPS).

UKUQINISEKISA UMNOTHO WESIKHATHI ESIDE NOQINILEKO

Unorhatjhekile lo ube nomthelela omumbi emakethe yemisebenzi, njengombana kulahleke imisebenzi eyi-2.1 yeengidi kusukela ngekota yokuthoma ka-2020. Kunengozi ekulu yokobana imisebenzi elahlekileko le ngeze isabakhona.

Ukuqubuka komguruguru womphakathi ngoVelabahlizne 2021 Kwa-Zulu-Natal neengcenyeni zeRhawuteni nakho kwawulimaza umnotho wethu bekwaqeda nemisebenzi. Amahlelo karhulumende wokuvuselela kabutjha atjheje ukutlhanywa kwamathuba womsebenzi nokusekelwa kwengeniso. Lokhu kufaka hlangana ukunikelwa kwamahlelo wokuqatjha komphakathi kanye neembonelelo zomthelo. Ngesikhathi sona leso, urhulumende wenza amatjhunguloko wesakhiwo ukuletha amakghono

amanengi emnothweni kanye nokwenza kube lula ukwenza ibhizini. Ukuqatjha okuphezulu, kanye nokwanda kwesigaba esiphakathi, kuzokhuphula ingeniso kanye nokusetjenziswa kweendleko ngokukhamba kwesikhathi.

Urhulumende wenze iragelo phambili ngamatjhuguluko wesakhiwo ahlathululwe ku-MTBPS ka-2021. Ukwenza isibonelo, umNyango wezokulima, ukuBuyekezwu kwemithetho yenarha nokuThuthukiswa kweeNdawo zemaKhaya uqatjhe amahekthara ama-200 000 wenarha weenqhema eziqalelelwu ntanzi, ezisekela ukutlhanywa kwamathuba womsebenzi kanye namabhizinisi amancani. Amaphroekthi

amatjhumi nahlanu aqakathekileko womthangalasisekelo, alinganiselwa kuma-R595 wamabhiliyon, aqalelewtanzi eendaweni ezifana nezamandla namanzi kobana kuthuthukiswe ikghono lomnotho lokukhula msinyana.

Amaphroekthi weZiko lezeemali zakarhulumende athi umnotho uzokukhula ngamaphesende ayi-2.1 ngo-2022, nokuyinto emsinyana kunalokho ebekulindeleko ekuthomeni. Kodwana-ke, imiphumela epheleleko kanorhatjhekile ayikacaci, khulu khulu ekulahlekeni kwemisebenzi nesisomali. Amatjhunguloko karhulumende ahleliweko aqakathekile ekuvuseleleni kabutjha isisomali, ukukhula kanye nokuqatjha.

UMLAYEZO KANGQO- NGQOTJHE

Umgomo wezeemali zakarhulumende – oyingceny yeembopho zeZiko lesiTjhaba lezeemali zakarhulumende – lingelinye lamathulusi aqakathekileko esinawo wokuqalana neentjhijilo zomthago, ukutlhayela kwemisebenzi nokungalingani okwandiswa yihlekellele ye-COVID-19.

Isabelomali saka-2022 simayelana nokunzinza kwezeemali nokuvikelwa komphakathi wabatlzagako, ekungibo abathintwe khulu miphumela kanorhatjhekile, kanye nokukhula okwenzekako.

Indlela yezeemali esiyikhethileko ibandakanya ukunzinzisa amazinga weenkolodo zethu ngesikhathi sinciphisa ukutlhayela kwesabelomali. Sizibophelele nekutholeni iindlela zokugcina isekelo lezeemali lesikhathi esifitjhani kobana sivikele abasengozini ekulu phakathi kwethu ezintweni ezimbi kwamambala zakanorhatjhekile.

Ukungezelela, sisebenzisa amagadango nemigomo ekunqotjhwe ngawo ukuvikela ukukhula komnotho kwesikhathi eside ngo-kuthama ubujamo obufunekako ukurherha isisomali, ukwenza ngcono ikghono lombuso lokuvusa amandla womsebenzi wezomnotho, kanye nokuqinisekisa bona imali yomphakathi isetjenziswa ngendlela ekhiquzako nethembekile.

Lokhu akusiwo umsebenzi olula. Kuthoga bona senze ukurhwebelana okunamano neenqunto ezibudisi. Lokhu kufaka phakathi ukuzidela okwesikhathhana, ukufaka hlangana nokukhandela ukusetziswa kweemali, kobana sikhazi ukwakha indawo yeemali etlhogekako kobana sisise emnothweni besibuyisele nezinga eliphezulu lokwethulwa kwezenzelwa.

Kutlhogeka nokobana sisebenzise namandla wethu esibelethwe nawo njengabantu abahlale baqinisela kizo zoke iintjhijilo.

Eminyakeni emibili edlulileko, solo kwathoma unorhatjhekile ekuthomeni kwaka-2020, senze ipendulo yethu yafanelana namkha yadlula iintjhijilo esiqalene nazo. Kancani kancani, igadango ngegango, siyaphumelela ekwakheni kabutjha umnotho wethu.

UKUSETJENZISWA KWEMALI KUMTHANGALASISEKELO UKUTHUTHUKISA ISISOMALI NOKUKHULA

Amaphroekthi womthangalasisekelo afaneleko angasekela ukukhula komnotho kwesikhathi eside, atlhamemathuba womsebenzi bekaphungule umtlhago. Urhulumende uhlanganisa iintlbagelo namabhizinisi kanye nezinye iikhungo kobana kusekelwe ngeemali amasisomali lawa.

Ukusetziswa kwemali kumthangalasisekelo womphakathi eminyakeni emithathu ezako kulinganiselwa ema-R812.5 wamabhiliyon. Iimfunda nabomasipala balindelwe ukusebenzisa imali ema-R185.5 wamabhiliyon kanye nama-R194.4 wamabhiliyon kumthangala-

sisekelo ngesikhathi esifanako, ngokulan-delana. Izindlu zomphakathi ezakhwi ngesibonelelo sokuthuthukisa somnyango wezokuhlalisa kwabantu eemfundeni kulindelwe bona kwenze ama-

R 44.3 wamabhiliyon. Iphala yezindlu le izokudluliselwa kubanikazi bezindlu. Eminyakeni emithathu ezako, urhulumende uzokwandisa amandla wokuphehla igezi, avuselele bekakhulise ithungelelwano leenthuthi, bekenze ngcono izenzelwa zokuhlanzeka namanzi. Uzokuragela phambili nokucina nokwenza ngcono umthangalasisekelo wezamaphilo nezfundo.

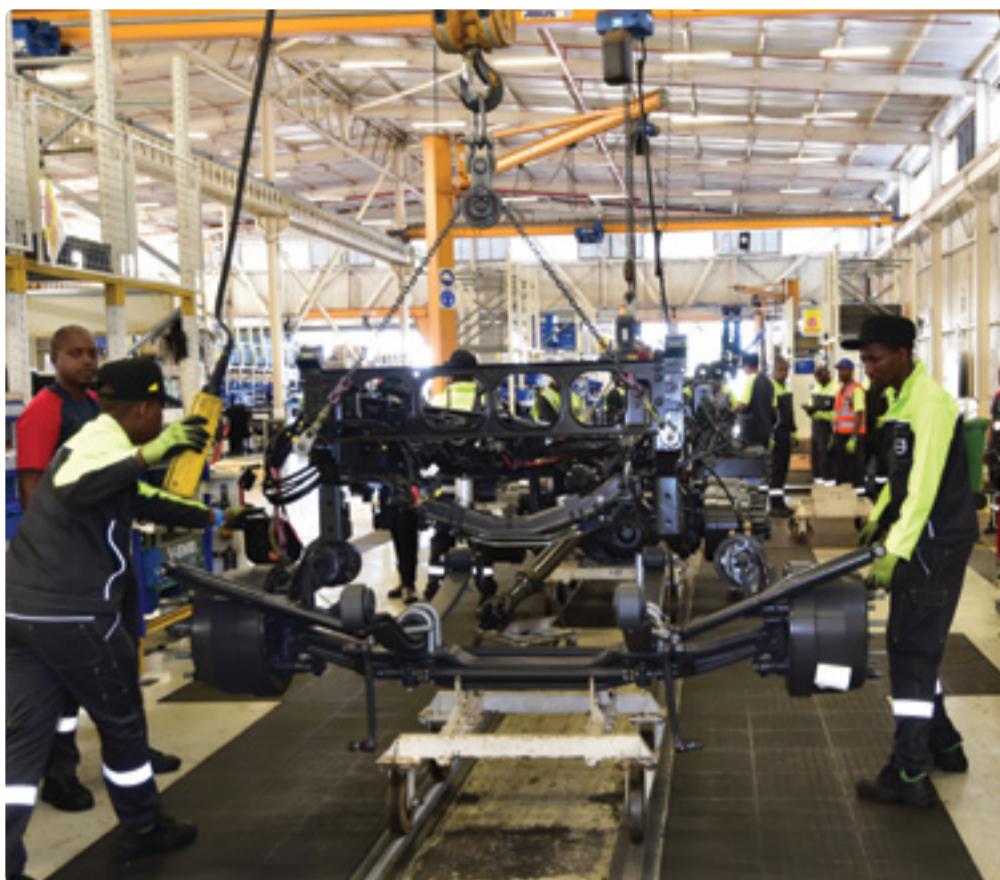

UKUSEBENZISA IMALI KWEZAMAPHILO UKULWISANA NE-COVID-19

ISeewula Afrika iqalene neengaba ezine eziqakathekileko zokutshwayeleka nge-COVID-19, ngabantu abayi-3.6 yeengidi abaqinisekiswe bona batshwayelekile nabama-95 000 okuqinisekiswe bona bahlongakele ekupheleli kwakaTjhirkweni 2022.

Ukukhutjha komjovo we-COVID-19 kuqakathekile ekubambeni ukurhatjhekila kwengogwana nekuphungleli ubukhali bokutshwayeleka. Kuhlinzekelwe inani lama-R 2.3 wamabhiliyon kobana kuragelwe phambili ngokuthenga imithamo engezelelwko kanye nokunikela imijovo ukusuka ngoSihlabantangana 2022 ukufika kuNtaka 2023. Iimfunda zizokuthola izabelo ezingeziweko zama-R 15.6 wamabhiliyon eminyakeni emithathu ezako ukulwisana ne-COVID-19 nokuhlangabezana nokutlhayela kwezinto ezsisekelo.

UKUTLHAMA AMATHUBA WEMISEBENZI NGEHLELO LAKAMENGAMELI LOKUQATJHA

Ihlelo lokuqatjha lakamengameli lahlonywa ngoSewula 2020 njengengceny yokuphendula kwakarhulumende kunorhatjhekile we- COVID-19.

Bekube gadesi, ihlelo leli linikele ngesekelo ebantwini abama-840 000 ngehlanganisa yokutlhanywa kwamathuba womsebenzi,

ngokugcinwa kwemisebenzi nengenelo lokusekela iindlela zokuziphilisa. Emnyakeni emibili ezako, ama- R 18.4 wamabhiliyoni abelwe ihlelo lokunkela ngesekelo elinqotjhisiwe kubantu abama-500 000. Lingophe ukunkela amathuba womsebenzi neendlela zokuziphilisa ezizwisisekako, khulu khulu ebantwini abatjha abangasebenziko.

IRHERHO LOKUBUYEKEZWA KWESABELOMALI

Lahlonywa ngo-2018, iVulekamali sisizasithungelelanisi esiphumeleko, esibenziseka lula kuthungelelwano esinikela imitlolo ephathelene nesabelomali nematheriyali yomhlahladlela.

Bekube gadesi idatha le beyisetjenziswa zizakhmizi, ziikhungo

zefundo, ababikiindaba neenhlangano zomphakathi. Isizasithungelelanisi sikhuthaza ifundo yomphakathi nokusebenzisana kuSabelomali. IVukelamali gade ilungiswa bekube mva nje – Iziko lezeemali zakarhulumende lithabile ukumemezelu ukubuya kwaso kanye netuthuko ezokuthoma ngokukhamba kwesikhathi kilonyaka.

Iziko lezeemali zakarhulumende, ngokubambisana nehlanganyelo leenhlangano zomphakathi, izokuragela phambilu ngokunikela ilwazi elitja ngesizasithungelelanisi lesi

IIMBONELELO ZOMBUSO

Iimbonelelo zombuso zizokusekela i-18.6 leengidi zabantu hlangana kwakaSihlabantangana 2022 noNtaka 2023. Isibonelelo esikhethekileko se-COVID-19 sehlalakuhle sihlinzekelwe ama-R 44 wamabhiliyoni ukuhlinzekelabahlomuli ngama-R 350 ngenyanga. Isabelomali sizokungezelela amanani weembonelelo zasafuthi ngokukhambisana netjhugulukontengo.

UMTHELO WENGENISO YOMUNTU

AKUTHINTA BUNJANI AMATJHUGULUKO WOMTHELO WENGENISO LAKHO?

Isabelomali sango-2022 sinikela ilamulelomthelo ngokumemezela ukulungiswa kwerherho lomthelo wengeniso lomuntu siqu kanye nesehliselo ngokukhambisana nezinga letjhugulukontengo le-4.5 yamaphesende. Inani umuntu angalirhola ngaphambi kobana kufuneke bona abhadele umthelo wonyaka womthelo ukusuka ngomhlaka 1 kuNtaka 2022
