Mid-year progress

The Department continues to have foreign representation through 124 diplomatic missions. During May 2012, the Department hosted the Global African Diaspora Summit at the Sandton Convention Centre and it continues to participate in multilateral forums, including the United Nations Security Council. It also facilitated the appointment of the African Union Commission chairperson from the Southern African Development Community region. To enhance global governance reform, peace and security in Africa, four countries have been assisted with their democratic election process.

Within the first six months of 2012/13, the department had slow progress in achieving the targeted number of bilateral agreements signed with foreign countries and the targeted number of incoming and outgoing visits facilitated per year.

Main expenditure trends for the first half of 2012/13

Total expenditure for 2011/12 was 97.4 per cent of the 2011/12 adjusted appropriation. Expenditure in the first six months of 2012/13 was R2.083 billion, or 39.5 per cent of the adjusted appropriation of R5.272 billion for the year as a whole. In comparison, mid-year expenditure in 2011/12 was R1.759 billion, or 34.1 per cent of the 2011/12 adjusted appropriation. Expenditure in the first six months of 2012/13 increased by R323.902 million or 18.4 per cent, compared to expenditure in the first six months of 2011/12.

The main increase compared to 2011/12 is due to improvements in the capturing of expenditure incurred by foreign missions and the once off event of hosting the Global African Diaspora Summit that was held in May 2012 at the Sandton Convention Centre.

Main departmental revenue trends for the first half of 2012/13

Departmental revenue collection in the first six months of 2012/13 was R13.286 million, or 55.2 per cent of the adjusted revenue estimate of R24.084 million for the year as a whole. In comparison, mid-year revenue collection in 2011/12 was R10.206 million, or 44.6 per cent of the 2011/12 adjusted estimate. Departmental revenue collection in the first six months of 2012/13 increased by R3.080 million or 30.2 per cent, compared to revenue in the first six months of 2011/12.

The main reason for the increase compared to 2011/12 is due to an increase in the revenue received from a trust fund in respect of the building of a state protocol lounge at the King Shaka Airport in KwaZulu-Natal, as well as VAT refunds received from foreign missions.
