Vote purpose

Provide the support services required by Parliament to fulfil its constitutional functions, assist political parties represented in Parliament to secure administrative support and service constituents, and provide members of Parliament with the necessary facilities.

Mandate

The mandate of Parliament is based on the provisions of chapter 4 of the Constitution, which establishes Parliament and sets out the functions it performs. Parliament is elected to represent the people, ensure government by the people under the Constitution, and represent the interests of provinces in the national sphere of government. Members of Parliament elect the president, provide a national forum for the public consideration of issues, pass legislation, and scrutinise and oversee executive action.

Parliament's policy priorities set out long-term policy and outcomes. These are aligned with the priorities and outcomes of the National Development Plan. To ensure that these outcomes are met over feasible timeframes, 5-year, 10-year and 15-year milestones have been set. The tabled strategic plan for the fifth Parliament is aimed at implementing the first milestone.
