

VOTE 10: DEPARTMENT OF COMMUNITY SAFETY

To be appropriated by Vote: R 182 218 000
Responsible MEC: MEC for Community Safety
Administering Department: Department of Community Safety
Accounting Officer: Head of Department

1. OVERVIEW

Vision

To ensure that Gauteng is a safe and secure province.

Mission

To improve safety in the province specifically through:

- Effective monitoring and evaluation of police agencies
- Effective implementation and promotion of appropriate Social crime prevention initiatives
- Providing traffic management services
- Co-ordinating efforts and programmes in the Criminal Justice System
- Educating & empowering citizens on issues of public safety and co-ordinating community initiatives
- Improving and strengthening relations between communities and law enforcement agencies

Mandate

The department's mandate is derived from the following documents:

- The Constitution of RSA, Act 108 of 1996, Chapter 11 section 206, and Schedules 4 and 5
- South African Police Service Act 68 of 1995 and its amendments
- The National Crime Prevention Strategy (NCPS) of 1996
- The White Paper on Safety & Security of 1998
- The White Paper on National Transport Policy of 1996
- The National Road Traffic Act 93 of 1996
- The National Land Transport Transition Act 22 of 2000
- The Gauteng Public Passenger Road Transport Act of 2001
- The Gauteng Transport Framework Revision Act 2002
- The National Road Safety Act 9 of 1972
- The Gauteng White Paper on Transport Policy of 1997

A synthesis of these documents reveals the following mandate for the Department on Community Safety:

- Enforcing traffic legislation
- Monitoring compliance and adherence to traffic legislation and road public transport legislation
- Conducting oversight through monitoring and evaluation of law enforcement agencies
- Training of traffic officers, examiners and inspectors
- Public awareness and education
- Initiating, leading and co-ordinating social crime prevention initiatives in the province
- Promoting good community police relations
- Co-ordinating of a range of Criminal Justice System (CJS) activities

Critical success factors

The department views the following critical success factors for the implementation of their strategic plan:

- The development of a new department incorporating a new directorate with a new mandate
- The implementation of a change management process that will instil a shared corporate culture and understanding of the extended mandate of the new department
- The development and implementation of a provincial safety plan which co-ordinates and encourages co-

operation from the bottom up

- Building understanding of, and support for, social crime prevention among all provincial government departments and co-ordinate this form of crime prevention
- Sustaining the good co-operation that has been established between the Traffic Management Directorate and other law enforcement agencies in relating to joint traffic management projects and operations
- Maintaining effective working partnerships with other departments of the Gauteng Provincial Government, most notably Social Development, Health, Public Transport, Roads and Works and Education
- Implementing a coherent national policy environment, in respect of both traffic management and safety and security, which provides clear direction and support to the province
- Building good relationships between the municipalities and the agencies of the criminal justice system in the province
- The strengthening of Community Policing Forums with a view to enabling this structure to operate in line with the Provisions of the Constitution and all other supporting legislation

Strategic Focus Areas/Priorities

- Maximising the resource base at a local level by collaborating with existing programmes to improve service delivery by law enforcement agencies
- Effective implementation of oversight over law enforcement agencies to:
 - To monitor police conduct
 - To oversee the effectiveness and efficiency of the police service, including receiving reports on the police service
 - To assess the effectiveness of visible policing
 - To liaise with the Cabinet member responsible for policing with respect to crime and policing in the province
- Co-operative governance to ensure effective working relationships with all role players and stakeholders, law enforcement agencies, traffic law enforcement agencies and all spheres of government
- Safety Promotion:
 - Leading and co-ordinating the implementation of programmes to prevent social crime
 - To empower victims and the prevention of secondary victimization
 - Contribute the prevention of behaviours that lead to social crime
- Creating awareness and providing education in communities in relation to public safety and security
- Effective traffic law enforcement and road safety
