LOCAL GOVERNMENT AND TRADITIONAL AFFAIRS (VOTE 7)

MUNICIPAL INFRASTRUCTURE SUPPORT GRANT	
Transferring Provincial Department	Local Government and Traditional Affairs
Purpose	Type A: To establish Project Management Units (PMUs) in municipalities Type B: To provide infrastructure in municipalities
Measurable Outputs	Type A: Fully Function Project Management Units with permanent skilled technical staff. Improvement in the performance of municipality in spending the MIG and other capital funds and thus improving the quality of services rendered by municipality to the communities. Type B: Improvement in the quality of human settlement by counter funding projects which will have immediate impact in identified desperate communities. The outputs of the programme depend largely upon the unique content of each project funded in terms of the programme. It will include the upgrading infrastructure in other areas with a view to address their pressing frustration and through such create a number of employment opportunities. The maintenance of such provided or upgraded infrastructure will be the responsibility of the Local Authority.
Conditions	Payments are made and subject to the conditions as prescribed in section 38 (1) (j) of the Public Finance Management Act (Act 1 of 1999) as amended by Act 29 of 1999. • Type A: As per the dplg Guide for the Establishing of Project Management Unit (PMU) by Municipalities, March 2007
Allocation Criteria	Allocations are based on: Type A: • Municipal Support Intervention Framework (MSIF) • MIG performance trends of a municipality Type B: • MEC's intervention strategy
Reasons for not incorporation in the equitable share	As an instigating programme, the Department needs to be involved in approving, monitoring and evaluation of projects outputs but at the same time promoting access to information and comprehensive self sustained development.
Past performance	Past performance in other programmes such as the Human Settlement Redevelopment Programme (HSRP), Bucket Eradication Programme (BEP), Consolidated Municipal Infrastructure Programme (CMIP), as well as Municipal Infrastructure Grant (MIG) has proved the Department's capacity in this respect
MTEF Allocations	As per the schedule
Monitoring mechanisms	Capturing of Proof of Payments in the MIS Monthly expenditure control On site visits by provincial staff Monthly, Quarterly and Annual reports Annual audited financial statements
Responsibility of Provincial transferring department	Type A: Support the municipalities with the establishment of the Project Management Unit (PMU), by assisting in the recruitment, transfer of funds, monitor performance, evaluate the outputs against the inputs and assess the PMU capacity on quarterly bases.

	Type B: The department will receive and approve business plans, gazette the MTEF allocations, transfer funds, monitor physical progress on site, receive reports, evaluate the outputs against the inputs and assess the outcome impact thereof.
Projected Life	Type A: The Establishment and sustaining of Project Management Units (PMUs) in a municipality is a process that is built parallel with the project life cycle. A project life cycle to complete takes a full year and to sustain will depend on the availability (employment contracts), of the trained personnel. The support intervention from the department will be for one year period, 2008/2009 Type B: The Current Lukhanji storm water project is projected for a life span of 30 to 40 years if the infrastructure is properly maintained by the municipality. The financial assist from the department will be for one year period, 2008/2009
Payment Schedule	Once-off transfers will be made to Municipalities within the framework of the Payment Schedule below

	project at the district level must be submitted to the department before 1st April 2008 3) Monitoring and Evaluation (M&E) to be done by the Department on a continuous and consistent basis. 4) Compliance with the MFMA, e.g. Letter of Compliance
Allocation criteria	1) Allocations are based on available funding in that specific financial year. 2) Allocate 70% to ISRDP nodes and 30% to URP nodes. 2) Spatial location within the DMs and the NMBM, e.g. in which Ward(s). 3) Business Plan per Project. 4) Project Matrix per Project. 5) The LED Unit has developed new Project Funding Criteria.
Reason for not incorporating in the Equitable Share	1) The funding of LED Projects is a provincial function
Monitoring mechanisms	1) M&E is done through our Regional Offices of the Department according to SLAs signed between the Department and DMs and NMBM. 2) The development of the Departmental Monitoring Framework will improve the M&E system in the next financial years. 3) Monthly, quarterly and annual Progress Reports by the Municipalities will be forwarded to the Provincial Economic Development Forum (PEDF) for scrutiny. 4) The training of departmental, public entities and municipal officials on the drafting and management of SLAs took place in 2006.
Past performance	1) Performance has not always been satisfactory. 2) The consolidated Municipal Progress Report from 2003/04 to 2007/08 financial years has challenges. 3) However, the development of the Departmental Monitoring Framework will be implemented as from the third quarter of the 2008/09 financial year.
MTEF allocation	1) R32,000,000 for the 2008/09 financial year. 2) R33,000,000 for the 2009/10 financial year. 3) R34,980,000 for the 2010/11 financial year.
Responsibility of the Provincial transferring department	1) Department does have a record of overseeing successful projects, but is constantly trying to enhance its capacity.

LOCAL ECONOMIC DEVELOPMENT	
	2) The LED Unit undertook a Benchmarking Study Visit to the Department of Economic Development (DED) in KwaZulu-Natal (KZN) in March 2008. The Report was distributed widely in the department and forwarded to DED. The recommendations will be tabled at the PEDF. 3) The Department is busy aligning Local Economic Development (LED) and Enterprise Development (ED) with Environmental Management. 4) The department is embarking on the restructuring process in this financial year.
Projected life	1) Some projects are funded in phases over different financial years, with the second phase contingent on the success of the first phase. 2) However, even single-phase projects (SPPs) sometimes extend over more than one financial year.
Payment schedule	1. After signing an SLA, a single payment to the DMs and the NMBM is transferred.
