GO FITLHELELA DITIRELO TSE DIBONALANG, KA MATLOTLO A A SALEKANENG

Katlego ya tekanyetso-kabo ya porofense e ikaegile ka bokgoni jwa puso ya porofense jwa go leka go fitlhelela tharabololo mo ditlhokegong tse difarologaneng tse di thulanang. Puso ya Poroferense e tshwanetse go inaakanya le maikarabelo a molaotheo wa naga o o malebana lets (Thuto, Pholo le tsa Loago) go netefatsa kgolo ya ikonomi le tlhabololo e tsenelletseng ya metse selegae ya baagi ba porofense.

Aforika Borwa e tshwara metshameko ya sejana sa lefatshe ka kgwedi ya Seetebosigo 2010. Porofense ya Bokone Bophirima le yone etla tsaya karolo mo metshamekong ya dikgaisano tsa sejana sa lefatshe, moamogelabaeng-mogolo e le toropo ya Rustenburg e e golang ka lobelo le le kwa godimo. Lebala le le tla dirisiwang mo toropong e ke Royal Bafokeng. Mabala a a jaaka Olympia le Potchefstroom one a tla dirisediwa go ikatisa. Dithulaganyo tsa moletlo o, di tsamaya sentle le mororo matlolle a sa lekane.

Lefapha la Matlotlo le ikuela/kopa tirisano mmogo ya baagi ka kakaretso ka moano wa “ke tekanyetso-kabo ya gago, nna motsaakarolo yo o mafolofolo” go nna moagi yo o tirisano mmogo go netefatsa go re matlolle le dithotho tsa puso di dirisiwa ka tsela e eseng bofitlha e e maikarabelo ka tsela e e tla tswelang baagi botlhe ba ba tlhokang ditirelo mosola. Tlhokomela gore bogodu le bobodu bo a kganelwa, go sireletsa matlotlo le go rotloetsa thebolo ya ditirelo

Badiredipuso ba (porofense le ba mmasepala) ba rotloediwa thata go tlhokomela go re matlolle a a lekanyeditsweng a dirisiwa ka kelothoko le ka matsetseleko mo mabakeng a a maleba. Re rotloetsa badiredipuso go e ma ka dinao le go rwala maikarabelo ka tekanyetso kabu ya bo ne ka go re “ke tekanyetso kabu ya rona ka boipelo”

DINTLHA KGOLO TSA TEKANYETSO KABO YA NGWAGA WA MATLOTLO WA 2010/II

Diphetogo mo tekanyetso-kabong ya porofense

Tekanyetso-kabo ya monongwaga ya matlotlo e lebagane le keteko moletlomogolo wa sejana sa lefatshe sa kgwele ya dinao mo kontinenteng ya Borwa jwa Aforika (2010 Fifa World Cup). Monongwaga ke ngwaga wa matlotlo o itumedisang ka go fiwa tshono ya go nna baamogedi ba baeng ba kgwele ya dinao ya lefatshe bogolo segolo re lebile ditshono tse di tla tsisiwang ke molello o. Aforika Borwa fela jaaka dikarolo tse dingwe tsa lefatshe e santse e ikoka manokonoko a kwelotlase ya ikonomi mme le fa go le jalo go botlhokwa thata go dira tsotlhe tse re ka dikgonang go netafatsa fa re tla fenza maemo a a gwtelhang, ka go "dira go le gontsi ka bonnye".

Tekanyetsokabo ya monongwaga ya paka khutshwane(MTEF) e gatelela maithlomo a puso le boineelo go diragatsa maikaelelo magolo a a tlhaolegileng a lenaneo la paka khutshwane(MTSF). Dintlha kgolo tse di lesome tse di tlhaotsweng ke puso ke tse di latelang:

- Go itlhaganedisa le go tlhabolola kgolo ya ikonomi go tlhola ditiro le botshelo jo bo botoka
- Lenaneo le le tseneletseng la go aga mafaratlhatalha a loago le ikonomi
- Tlhabololo e e tlhaolegileng ya metse se legae e e lebaganeng le toga-maano a tsa lefatshe le tshireletso ya tsa dij
- Go natlafatsa bokgoni jwa rona le jwa badiri
- Go tokafatsa tsa pholo ya naga
- Go gagamatsa ntwa kgatlanong le bosinyi le bobodu
- Go aga setshaba se se tshwaraganeng, se se kgathalelanang e bile se kitlane.
- Tsamaiso e e lolameng ya matlotlo le dithoto le tiriso ya tsone
- Go latelela tswelelopele ya Aforika le go rotloetsa tirisano mmogo ya boditshabatshaba
- Go a ga naga e e tlhabologang le kakaretso ya tlhabololo ya ditirelo tsa setshaba le natlafatso ya ditheo tsa temokerasi

Tekanyetsokabo e leka go fitlhelela dintlha tse, tse di tlhaolegileng ka matlotlo/didiriswa tse di lekanyeditsweng, le fa go ntse jalo, ka go tsaya karolo ga setshaba le tiriso e e botoka ya didirisiwa ke badiri ba ba maleba le ba tsaya karolo, re ka fitlhelela go le gontsi.

Thulaganyo ya tekanyetso-kabo

Tekanyetsokabo ya porofense e rulagantswe mo tlase ga dikgwetlho tse di tseneletseng tsa maemo a a sa itumediseng a ikonomi ya lefatshe ka kakaretso, ka ntlha ya se, go bokete go fitlhelela ditlhokego tsotlhe tsa baagi.

Mo tlase ga maemo a, puso e tshotse tshwetso ya go lebesisa sesha lenaane la thebolo ya ditirelo le go tshepisa go fokotsa tiriso ya matlotlo mo mananeong a eseng a botlhokwa ka go lebisa matlotlo mo ditirelong tsa botlhokwa e le tsela ya go abela/kgotsofatsa ditlhokego tsa baagi ba porofense ya Bokone Bophirima

Magareng ga tse dingwe, dintlha kgolo ke tse di latelang:

- Go fokotsa tiriso ya matlotlo mo dilwaneng tse di seng botlhokwa, se se akaretsa go fokotsa matlotlo a tsamaiso "administration" go ya go ditirelo kgolo
- Go lebelela sesha ditiro le manaane mo ditheong tse di ikemetseng tsa puso, e le tsela ya go fokotsa go ipoletseng ga manaane a a sa tlhokegeng, go tlhabolola bokgoni le go rwala maikarabelo
- Go lebelela sesha tiriso ya matlotlo le go tomola mananeo a a dirang bokoa le a a sa direng gotlhelele
- Go tlhabolola bokgoni jwa mananeo a tsa theko ya dithoto le ditirelo, go tokafatsa bokgoni le maatlametlo le go samagana le bogodu le bobodu mo go tsa theko
- Go fetola mokgwa wa ditirelo tsa setshaba, go fokotsa tshenyo le go kganelo theko e e sa tlhokegeng, ditirelo tsa maemo a a kwa tlase le bobodu

Le fa go ka nna jang, fa re ineeetse rotlhe, re tsaya boikarabelo jwa tekanyetsokabo, re dira mmogo re ka tokafatsa ditirelo, ka go dira go le gontsi ka go le gonne

DITIRELO TSA LOAGO

Maitlhomu magolo a tekanyetso kabon ya puso ya bogareng ya ngwaga wa matlotlo wa 2010/II ke go tswelela go itlhaganedisa ditirelo tsa loago mo mafapheng a jaaka tsa Thuto, Pholo, Tlhabololo ya Loago, Matlo, Mafaratlhatalha a Ditsela le Ditirelo tsa Setshaba

THUTO

Gareng ga ditirelo tse dingwe, lafapha le ikaeletse go neelana ka thuto ya seemo se sekwa godimo, go kgontsa barutwana go atlega ka ntlha ya matsetseleko a barutabana le tshegetso ya ditirelo

Lefapha le amogetse palo gotlhe ya tekanyetso kabon ee kana ka **R 9.1 billion**

Bontlha bongwe jwa tekanyetso kabon jo bo kana ka **R271 million** bo beetswe thoko ele madi a a beetsweng ditirelo tse di tlhaolegileng, tse dinang le maparego(Conditional Grant).

Lefapha la Thuto letla tswelela go itlhaganedisa ditirelo tse di malebana le:

- Go agelelwa mafulo le masimo a leruo, e le lenaneo la Ditiro tsa Setshaba tse di Atolositsweng, (EPWP). Lenaneo le le ikaletse go thusa balemirui ba metse se legae ka mafelo a go lema le go fudisetsa leruo le go thusa go oketsa ntsho-dikuno. Lenaneo le, le tla thusa balemirui go ungwelwa ka leokwane le le kobiseditsweng (bio-diesel) go dira go bonala.Lenaneo le, le tla tswelela gonna teng ka paka e erileng go thusa di porojeke tse di nang le tshwaetso e e bonalang.
- Go lenaneo leo le kobiseditsweng go thusa balemi ba bantsho dikuno ba o ba simololang temo-thuo, le go ba baya mo seemong se se botoka, le go ba kgontsha go dirisa ditshono tse o di tlhagisiwang ke lenaneo la leokwane (bio fuels) la bosetshaba. Mo pakeng e e fetileng ditheo di le some a mabedi (20) di ungwetswe go tswa mo porojekeng e, ebile di tla tswelela go ungwelwa le mo ngwageng o wa 2010 e le tsela ya go tshegetsa balemirui ba ba tlhokileng tshegetso mo nakong e e fetileng le diporjekeng tsa bone “Mechanization Programme”:
- Matole a beetswe thoko ke lafapha go itlhaganedisa le go golaganya lenaneo la tlhabololo ya metse selegae mo porofenseng

MAFARATLHATLA A KAGO, DITSELA LE DIPALANGWA

Maitlomo magolo a lefapha le ke go neela baagi ka dipalangwa tse dibolokesegileng, go tlamela ka lefatshe, mafaratlhatla a dikago tsa ditsela, se ele, moano wa puso wa botshelo jo bo botoka go baagi botlhe ba porefense.

Lefapha le amogetse palo gotlhe ya tekanyetso kabo e bo kana ka **R 2. 6 billion**

Bontlha bongwe jwa tekanyetso kabo e, bo kana ka **R 698 million**, e le made a a kobiseditsweng ditirelo tse di tlhaolegileng, tse di nang le maparego (Conditional Grants) tse di tshwanang le mafaratlhatla a ditsela, thuso ka matole a dibese (bus subsidies).

Lefapha le tla leka go fitlhelela tse di latelang:

- Go tsenngwa tirisong ga lenaneo le le atolositsweng la setshaba

BOKHUTLO

Tekanyetsokabo ya ngwaga wa ditshelete wa 2010/II e ne e se kgetsi e potlana go e rulaganya le go e lekalekanya bogolo segolo mo nakong e e felang ya kwelo tlase ya ikonomi. Go sa kgathalesege dikgwetlho tsotlhe tse porofense e lebaneng le tsone. Porofense e ikemiseditse go tswelela go direla le go tlamela ka ditirelo jaaka go sololetswe ke baagi ba porofense ya bokone bophirima. Re sa lebale gape gore kgetsana ya matole a porofense e fokotsegile thata ka ntlha ya kwelo tlase ya ikonomi ya boditshabatshaba le go busediwa gape ga Merafong kwa porofenseng ya Gauteng go tswa mo Bokone Bophirima. Go sa kgathalesege maemo a re iphitlhelang re lebane le one re sa ntse re tsholeditse moano wa “go dira go gontsi ka bonnye jo re nang le jone. “ Re soloftela gore maemo a, a tla fetoga mo dingwageng tse di latelang mme tekanyetso-kabo ya rona e tla tokafala mo nakong e e sa fediseng pelo.

Lefapha la matlotlo la porefense le tla dira gotlhe mo o le ka go kgonang go rebolela mafapha matlotlo go a kgontsha go tsweletsa ditiro konokono, e le tsela ya gore matshelo a baagi ba porofese a tokafale. Ka jalo a re ikemiseteng rotlhe go nna beng ba tekanyetso-kabo gore re kgone go tsweletsa ditirelo tse di botoka, go tsaya kgato e tshwanetse go nna moano wa letsatsi!

Ke tekanyetso kabo ya gago e e pitlaganeng, tsaya karolo, o dire gore e atlege!

Kaelo eno ya ngwaga o no wa ditshelete e gatisitswe ke Lefapha la Matlotlo la Porofense ya Bokone Bophirima e le tsela ya go itsise baagi ka tekanyetso kabo e e tsibogelang ditlhokego tsa baagi.
