

VOTE 10

The Royal Household

It must be noted that Proclamation No. 83 of 2014, which was signed by the President of South Africa on 12 of December 2014, combines Vote 10: The Royal Household with Vote 1: Office of the Premier. In line with the recommendations of the A-G, this merging is effective from 1 April 2015 and, therefore, the functions and budget of the Royal Household (including the public entity, the Royal Household Trust) are added to Vote 1's functions and budget. As such, there is no Vote 10 chapter in the 2015/16 *EPRE*. See the departmental chapter relating to Vote 1: Office of the Premier on pages 1 to 46.
