Government Printing Works

Notice submission deadlines

Government Printing Works has over the last few months implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submit your notice request.

In line with these business rules, GPW has revised the notice submission deadlines for all gazettes. Please refer to the GPW website www.gpwonline.co.za to familiarise yourself with the new deadlines.

CANCELLATIONS

Don't forget!

Cancellation of notice submissions are accepted by GPW according to the deadlines stated in the table above. Non-compliance to these deadlines will result in your request being failed. **Please pay special attention to the different deadlines for each gazette.**

Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

Requests for cancellation must be sent by the original sender of the notice and must be accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

take note!

With effect **from 01 October**, GPW will not longer accept amendments to notices. The cancellation process will need to be followed and a new notice submitted thereafter for the next available publication date.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While GPW deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.

GPW has a **2-working day turnaround time for processing notices** received according to the business rules and deadline submissions.

Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

PROOF OF PAYMENTS

REMINDER

GPW reminds you that all notice submissions **MUST** be submitted with an accompanying proof of payment (PoP) or purchase order (PO). If any PoP's or PO's are received without a notice submission, it will be failed and your notice will not be processed.

When submitting your notice request to submit.egazette@gpw.gov.za, please ensure that a purchase order (GPW Account customer) or proof of payment (non-GPW Account customer) is included with your notice submission. All documentation relating to the notice submission must be in a single email.

A reminder that documents must be attached separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment/purchase order – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment).

REMINDER OF THE GPW BUSINESS RULES

- Single notice, single email – with proof of payment or purchase order.
- All documents must be attached separately in your email to GPW.
- 1 notice = 1 form, i.e. each notice must be on a separate form
- Please submit your notice **ONLY ONCE**.
- Requests for information, quotations and inquiries must be sent to the Contact Centre **ONLY**.
- The notice information that you send us on the form is what we publish. Please do not put any instructions in the email body.

EXPANDED PUBLIC WORKS PROGRAMME	
Transferring department	<ul style="list-style-type: none"> • Department of Cooperative Governance and Traditional Affairs
Purpose	<ul style="list-style-type: none"> • The Expanded Public Works Programme (EPWP) is one element within a broader government strategy to reduce poverty through the alleviation and reduction of unemployment. The Expanded Public Works Programme involves creating work opportunities for unemployed persons, and so allowing them to participate economically and contribute to the development of their communities and the country as a whole. • Phase III of EPWP aims to: <ul style="list-style-type: none"> - Significantly expand the creation of temporary work opportunities that provide income to the poor and unemployed; - Increase the duration of work opportunities for maximum impact; - Introduce incentives to motivate increased job creation efforts by Public Bodies, as anticipated in clause 8 below, for the provision of a financial reward. • The National Department of Public Works is mandated to lead and coordinate the EPWP. • The success of EPWP depends on concerted effort, cooperation and implementation across all sectors, spheres of government as well as non-state entities. • The Expanded Public Works Programme (“EPWP”) is a national labour intensive programme initiated by government that is aimed at providing poverty and income relief through temporary work for the unemployed to carry out socially useful activities. It draws significant numbers of unemployed people into productive work, so that they gain skills and increase their capacity to earn income. • The objective of EPWP is to utilize public sector budgets to reduce and alleviate unemployment. This objective is to be achieved by creating productive employment opportunities and by enhancing the ability of workers to earn an income after they leave the programme, either in the labour market or through entrepreneurial or cooperative income-generating activities. Work opportunities are created, through intensive methods. • EPWP, as a form of labour intensive economic activity will be used as a viable tool in achieving township economy revitalization in our townships.

The incentive must be applied to continuing or expanding job creation programmes in any sector. • The EPWP target group may not be paid below the EPWP minimum wage rate of R70.59 per person day of work and all conditions stipulated in the Ministerial Determination for Public Works Programmes should be complied with. • Expenditure on the EPWP grant must be reported to the relevant Provincial Treasury in the monthly In-Year-Monitoring tool used by your Provincial Treasury, and copied to National Department of Public Works

	<p>by 10 calendar days after the end of every month.</p> <ul style="list-style-type: none"> The reports should include the outputs intended to be achieved on the projects implemented through the grant. This will be measured monthly until the projects are finished.
Allocation Criteria:	<ul style="list-style-type: none"> Allocations are made to beneficiary municipalities according to need basis. Those municipalities to benefit are some of worst affected by unemployment levels.
Monitoring System:	<ul style="list-style-type: none"> The Department has already established an internal professional project management team that would be mainly responsible to monitor the implementation of the above projects at an accelerated speed. This report will outline progress of all EPWP programmes/ projects that are funded from COGTA's 2016/17 EPWP Incentive Grant allocation.
Past performance:	<ul style="list-style-type: none"> The Gauteng Department of Cooperative Governance and Traditional Affairs has firstly received the EPWP Incentive Grant during the last 2014/15 financial year. During this financial year the performance of the implementation was hugely affected by late transfers of funds to municipalities, and mistakenly withholding of funds by Department of Public Works. However, COGTA has managed to achieve the following through the implementation of its EPWP programme during 2014/15 financial year: <ul style="list-style-type: none"> 55 Work Opportunities created to date. 24 FTEs created to date. Although, the last financial year, 2015/16, experienced a lot of challenges, due to miscommunication from National Department of Public Works, whether COGTA has been allocated Incentive Grant or not. The response was late communicated to COGTA, making it difficult to make a decision to utilize its own internal funds for the implementation of its 2015/16 EPWP Programme. However, COGTA is likely to improve this financial year, 2016/17, because of experience acquired on the mistakes made on the last two financial years, which are 2014/15 and 2015/16. COGTA did not receive EPWP Incentive Grant for 2015/16 financial year. Nevertheless, the department made available its own internal funds, which amounted to R 2 million, for the implementation of 2015/16 EPWP Programme.
