# 1.7 Aligning departmental budgets to achieve government's prescribed outcomes

The department plays a leading role in organising and managing major provincial projects and events such as the celebration of national days of significance, which include Africa Day, Freedom Day celebrations and Heritage Day celebrations. There is an increasing demand to be involved and contribute to other events such as Reconciliation Day, Human Rights Day, International Museums Day, International Mother Tongue Day, Youth Day and Mangaung African Cultural Festival (MACUFE). Library services are provided to the broader Free State community.

### 2. Review of the current financial year (2017/18)

The budget for 2017/18 has decreased by R11.060 million from 2016/17, mainly due to the decrease in allocation for the Infrastructure allocation.

The Department is implementing its vision of social transformation by capacitating and supporting sport bodies and cultural centres. This will ensure that communities have access to resources to participate in competitions and events, the aim being to produce the best, the future stars of sport, arts and culture from our province.

Furthermore, conditional grant for Sport and Recreation continue to provide the necessary funding for projects which would otherwise not be carried out and yet necessary for sport development and the culture of reading and writing.

Total infrastructure budget amounts to R177.158 million, of which R15.200 million will be utilised for final payment towards Dr Petrus Rantlai Molemela Stadium and R58.583 million for the National Training Centre. The remaining balance will be utilised to upgrade libraries and sport centres in the different districts.

| Challenges   | Achievements  |
|--|---|
| The realization, albeit not fully, of its legal mandate  | Carrying on with the baseline functions in the three service delivery programmes.   |
| More effective implementation of its strategic objectives  | Carrying on with the baseline functions in the three service delivery programmes.   |
| Management of district operations  | Ongoing process, with the add-on of the Xhariep district office, on a phase-in basis. Districts must now be aligned according to the new demarcation.       |
| Strengthening of Free State Sport Science Institute, School Sport and District Community Sport   | Satellites created in Qwa-Qwa and Fezile Dabi District Municipality   |
| Effective record management  | Record Manager not appointed in 2017/18.  |
| Ensure preservation of Archival records of the Free State Provincial Government.   | Record inspections are carried out throughout the year to ensure that the department adheres to the archives Act. This is an ongoing process.               |
| Oral archival strategies to be added   | Not done, due to inadequate funding   |
| Pro-active engagement of the communities in visual and performing arts   | Achieved via MACUFE, Freedom Day,<br>Heritage celebration and other events  |
| Development of artists and performers in all districts in the whole province up to competitive levels in the national and international arena.   | Not achieved due to lack of funds.  |
| Clustering of museums and transformation of museums to be more representative of the people of the Free State.   | As part of the strategy of clustering of museums to be phased in over three years, handover of 2-3 museums to the interest groups are currently in process. |
| Security of arts centres and provincial museums (24 hour security)   | Security is provided although inadequate.   |
| Support to the South African Heritage<br>Resource Agency and the Geographical<br>Names Committee.  | Ongoing secretarial and research support with a transfer payment of R0.5 million and R1 million respectively.   |
| Implementation of Free State Provincial Government's Language Policy   | Not done, due to inadequate funding   |
| The identification of strategic partners to strengthen the delivery of programmes of Cultural Affairs and Libraries  | Various strategic partners identified and being nurtured  |
| Provision of ICT Infrastructure to all libraries to bridge the digital divide between the rich and the poor.   | All public libraries are provided with computer equipment, there is access to online internet services.   |
| Take-over of libraries as a provincial competency from municipalities, including entering into service level agreements with funding to provide full-fledged library services in the province. | Started in 2012/13. Only R2.5m allocated while R114 million is needed. R3 million per year thereafter. 2015/16 Conditional grant increased by R36 million   |

#### 3. Outlook for the coming financial year (2018/19)

The budget for 2018/19 is only sufficient to maintain the current status quo. This means any filling of vacant posts will require reprioritising from within. The number of funded vacancies has decreased by almost 75 percent with the whole review of Compensation of Employee funds. Further cuts to the existing budget will put a strain on service delivery. The department will do its best to utilise the available resources optimally for the benefit of the Free State communities.

The budget for communication, security services and Government Motor Transport are also under threat as ring-fencing is being proposed.

The equitable share allocation was adjusted as follows: increased by 10.3 percent in 2018/19, 0.6 percent for 2019/20 and decrease 0.6 percent for 2020/21.

However, there are many other budget pressures which cannot be addressed effectively in the 2018/19 financial year, such as the following:

- Enable municipalities to enter into service level agreements with funding to provide fullfledged library services in the province;
- Clustering of museums and transformation of museums to be more representative of the people in the Free State;
- Security at arts centres and provincial museums (24-hour security);
- Support to Provincial Geographical Names Committee and Provincial Heritage Resource Agency on the same level as in other provinces;
- Provision of ICT Infrastructure to all libraries to bridge the digital divide between the rich and the poor;
- Ensure preservation of Archival Records of the Free State Provincial Government;
- Implementation of Free State Provincial Government's Language Policy;
- Asset and inventory management and safeguarding and security at libraries;
- Significant events such as Freedom Day and Heritage Day celebrations and African Day.

#### 4. Reprioritisation

The goods and services budget in the equitable share was reprioritised in order to accommodate the budget cuts and furthermore, funded vacancies were sliced by 75 percent.

#### 5. Procurement

Planned major procurement:

- Macufe event
- Management of periodicals and newspapers
- Provincial Heritage Celebration
- Provincial Youth Camp
- Building of two new libraries

Initiatives to improve Supply Chain Management:

- Empower suppliers by organising workshops on six months' basis
- Train officials within the department about SCM matters on quarterly basis.

The revenue from financial transactions in assets and liabilities fluctuate from year to year due to various and once off factors. It is safe to keep the amounts low as this is not a main source for revenue collection.

The main sources of revenue (sales of goods and services) are the following:

- Restaurant and bar sales, museum visits and sales of craft and curios;
- Performing arts tuition;
- Golf course fees, restaurant and accommodation income and high performance centre fees for athlete assessment and nutrition;
- Ticket sales from the annual Mangaung Cultural Festival (MACUFE):
- Providing internet and photocopying services:
- Rental of equipment.

Strategies for increased revenue collection include the following:

- Hostels and restaurant at Free State Sport Science Institute should be outsourced and the Institute can then consider charging rent and / or a percentage of profit to the contractor;
- Collection of revenue from all Public Libraries will be fully implemented:
- An investigation to find ways to get Community Arts Centre and the Free State Sport Science Institute to issue accredited certificates for the training provided. This will ensure bigger interest from the community and will increase revenue;
- Marketing MACUFE in order to ensure a higher turn-up; and MACUFE to be managed as an entity like the Standard Bank and Grahamstown Jazz festivals.

#### 7.1 Key assumptions

Assumptions that underpin the basic foundation for developing the department's budget are the following:

 Average salary increase of 7 percent for 2018/19, 7 percent for 2019/20 and 7 percent for 2020/21 are considered before critical vacancies are then reprioritised within the available compensation budget allocations.

- Average increase of 5.7 percent in goods and services for 2018/19, 5.6 percent for 2019/20 and 5.5 percent for 2020/21 are considered subject to budgeting on a zero-basis to be done in each programme.
- Each programme to retain its budget allocation, in order to enable the programme to meet its basic strategic objectives subject to:
  - Review and matching of compensation of employees' budget within each programme to the actual funded posts in each programme in order to give effect to the re-alignment of programme structures to the broader goals of the Provincial Government, and which is necessary for the purpose of basic strategic objectives and which include the carry-through costs of all 2017/18 personnel related adjustments, as well as the pay progression system of approximately 1.5 percent and also including the job upgrades and bench markings approved during 2014/15:
  - Infrastructure related allocations to programmes in line with infrastructure Plan, as amended with priority given to legacy projects;
  - Conditional grants from national level allocated to programmes where the conditional grants are to be managed (Library Services and Sport and Recreation);
  - Additional funds allocated in line with provincial key priorities are specifically aligned to programmes.

These key assumptions presented the following challenges, which were thus addressed:

- Additional funded posts as undertaken during previous years' budget consultation workshops cannot be fully absorbed in the MTEF budget but were reprioritised.
- Wholesome review to be done of the department's organisational design and service delivery environment, with the exception of Cultural Affairs, yet to be attended to.

#### 9.1. Service delivery measures

The Department is living its vision of social transformation by capacitating and supporting sport bodies and cultural centres. This will ensure that communities have access to resources to participate in competitions and events, the aim being to produce the best, the future stars of sport, arts and culture from our province.

The conditional grant for Library Services and for Sport and Recreation continue to provide the necessary funding for projects which would otherwise not be carried out and yet necessary for sport development and the culture of reading and writing.
