(2) Subject to section 3, spending of appropriations is subject to the provisions of the Public Finance Management Act.

Appropriation listed as specifically and exclusively

3. Appropriations to a vote or main divisions within a vote that are listed as specifically and exclusively may only be utilised for the purpose indicated and may not be used for any other purpose, unless an Act of the Northern Cape Provincial Legislature amends or changes the purpose for which it was allocated.

Utilisation of saving

4. Despite the provisions of section 3 of this Act, the Provincial Treasury may approve the utilisation of a saving in an amount appropriated under a vote for transfer to a specific institution, other than the amount specifically and exclusively appropriated, for any other purpose within a vote.

Conditional allocations to municipalities

5. Conditional allocations to municipalities from the provincial budget in respect of the 2022/23 financial year are set out in **Annexure A**. An envisaged division of the conditional allocations to municipalities from the provincial budget for the next financial year and the

2022 MTEF, which is subject to the annual Northern Cape Appropriation Act for those years, is also set out in **Annexure A**.

Withholding of conditional allocations

6. (1) A transferring provincial officer may withhold the transfer of a conditional allocation to a municipality or any portion of such allocation for a period not exceeding 30 days, if –

- (a) the municipality does not comply with conditions to which the allocation is subject; or
- (b) expenditure on previous transfers during the financial year reflects significant under-spending for which no satisfactory explanation is given.

(2) A transferring provincial officer must, at least 21 days, or such shorter period as may be approved by the Provincial Treasury, prior to withholding an allocation in terms of subsection (1)-

- (a) give the relevant municipality-
 - (i) written notice of the intention to withhold the allocation; and
 - (ii) an opportunity to submit written representations, within those

21 days as to why the allocation should not be withheld; and

(b) inform the Provincial Treasury and the provincial department responsible for local government of its intention to withhold the allocation.

(3) A notice contemplated in subsection (2) must include the reasons for withholding the allocation and the intended duration of the withholding.

(4)(a) The Provincial Treasury may, when a transferring provincial officer is withholding an allocation in terms of subsection (1), instruct that officer, or approve a request from that officer to withhold an allocation for a period longer than 30 days, but not exceeding 120 days, if the withholding will-

- (i) facilitate compliance with the conditions to which the allocation is subject; or
- (ii) minimise the risk of under-spending.

(b) A transferring provincial officer must, when requesting the withholding of an allocation in terms of this subsection, submit proof of its compliance with subsection (2) and a copy of any representations received from the municipality concerned, to the Provincial Treasury.

(c) The transferring provincial officer must again comply with subsection (2) when the Provincial Treasury instructs or approves a request in terms of paragraph (a).

Stopping of conditional allocations

7. (1) Despite section 6, the Provincial Treasury may in its discretion or at the request of a transferring provincial officer stop the transfer of a conditional allocation or any portion of such allocation to a municipality-

(a) on the grounds of a persistent and material non-compliance with conditions to which the allocation, as provided for in the relevant framework published in the *Provincial Gazette*, is subject; or

(b) if the Provincial Treasury anticipates that the municipality will substantially under spend on the programme or allocation concerned in the current financial year.

(2) The Provincial Treasury must before stopping an allocation in terms of this section-

(a) give the relevant receiving municipality-

(i) 21 days written notice of the intention to stop the allocation; and

(ii) an opportunity to submit written representations within those 21 days as to why the transfer of the allocation or part thereof should not be stopped; and

(c) consult the Member of Executive Council responsible for the provincial department wanting to stop the conditional allocation.

(3) Any stopping of an allocation contemplated in subsection (1) must, together with an explanatory memorandum, be published by the Provincial Treasury in the *Provincial Gazette*.

(4) The Member of Executive Council responsible for finance must report any stopping of allocations in terms of this section to the Provincial Legislature and the Auditor-General at the tabling of the next appropriation legislation in the Provincial Legislature after the commencement of this Act.

Re-allocation after stopping of conditional allocation

8. The Provincial Treasury may, where it stops an allocation in terms of section 7, after consultation with the transferring provincial officer, determine that the allocation or any portion thereof be reallocated to one or more municipalities on condition that the allocation must be spent in the current financial year or the next financial year.

Transfers made in error and fraudulently

9. (1) The transfer of an allocation to a municipality in error or fraudulently is regarded as not legally due to the municipality.

(2) A transfer contemplated in subsection (1) must be recovered, without delay, by the responsible transferring provincial officer, unless an instruction has been issued in terms of subsection (3).

(3) The Provincial Treasury may instruct the transferring officer that the recovery contemplated in subsection (2) be effected by set-off against future transfers due to the municipality.

Unspent conditional allocations

10. (1) Subject to the Public Finance Management Act, the Local Government Municipal Finance Management Act, 2003 and the Division of Revenue Act, any conditional allocation, or portion thereof that *Appropriation Bill, 2019* is not spent by the municipality at the end of a municipal financial year, reverts to the Provincial Revenue Fund, unless the roll-over of the allocation is approved in terms of subsection (2).

(2) The Provincial Treasury may, at the request of the transferring provincial officer or a municipality, approve in consultation with the transferring officer a roll-over of a conditional allocation to the next municipal financial year if the unspent funds are committed to identifiable projects.

(3) The receiving officer must ensure that any funds that must revert to the Provincial Revenue Fund in terms of subsection (1) are paid by the municipality to the transferring officer's bank account, who will in turn transfer them to the Provincial Revenue Fund.

(4) The Provincial Treasury, in accordance with subsection (5), may offset any funds which must revert to the Provincial Revenue Fund in terms of subsections (1) and (3), but which have not yet been paid to that Fund, against future conditional allocations to that municipality.

(5) Before any funds are offset in terms of subsection (4), the Provincial Treasury must give the relevant transferring provincial officer, and receiving municipal officer –

(a) written notice of the intention to offset amounts against future conditional allocations; and

(b) an opportunity, within 14 days of receipt of the notice referred to in paragraph (a), to–

(i) submit written representations that prove to the satisfaction of the Provincial Treasury that the unspent conditional allocation was either spent in accordance with the relevant framework or is committed to identifiable projects;

(ii) propose alternative means acceptable to the Provincial Treasury by which the unspent conditional allocations can be paid into the Provincial Revenue Fund; and

(iii) propose an alternative payment arrangement in terms of which the unspent conditional allocations will be paid into the Provincial Revenue Fund.

(6) A notice contemplated in subsection (5) must include the intended amount to be offset against allocations, and the reasons for offsetting the amounts.

(7) No approval will be granted for municipalities requesting roll-over of the same grant for the third consecutive time.
