Programme 1: Administration

Description and outputs: The programme consists of three sub-programmes, namely Office of the MEC, Corporate Management Services and District Management. The sub-programmes mainly provide overall strategic management and support services to the department, political and legislative interface between government, civil society and all relevant stakeholders, address policy interpretation and the strategic direction of the department and provide support regarding corporate management, human resource management, logistics, communication, finance, and legal services, etc.

In rendering a support function to the core services of the department, the programme is geared towards building a developmental state, including the improvement of public service and strengthening democratic institutions. Strategically, Administration ensures good governance and institutional development through: -

- Rendering administrative and strategic ministerial support services to the Executive Authority;
- Building financial management skills for all line managers and enforce accountability for budget compliance;
- Providing effective and efficient human capital management;
- Overhauling the strategy and planning process to align with the organizational structure, budget timelines, and ensure alignment, capacity, and improve accountability through good governance, sound monitoring and evaluation to deliver across the department;
- Improving information technology, information systems and information management infrastructure to facilitate efficiency and timeous reporting;
- Building social infrastructure that supports integrated service delivery based on demand;
- Provision of an effective district management system.
