(2) The spending of appropriations contemplated in subsection (1) is subject to this Act, the Public Finance Management Act and the Financial Management of Parliament and Provincial Legislatures Act, 2009 (Act 10 of 2009).

Amounts listed as specifically and exclusively appropriated

3. Amounts listed in the Schedule as specifically and exclusively appropriated and that refer to—

- (a) national conditional grants, may be used only for the purpose stipulated in the Division of Revenue Act and in accordance with the framework published in terms of that Act; and
- (b) earmarked allocations, may be used only for the purpose stipulated in the Schedule and in accordance with the directives issued from time to time in terms of section 4(2) of this Act.

4. (1) Earmarked allocations to provincial departments are described in column 2 of the Schedule.

(2) The Provincial Treasury may from time to time issue directives for earmarked allocations.

(3) A directive—

- (a) must set out in writing the reporting requirements to be complied with by provincial departments on a function funded or partially funded by each allocation, except where such comprehensive reporting is already required in terms of other legislation; and
- (b) may further set out measures in respect of an allocation to ensure transparency, accountability and expenditure control.

Withholding or stopping of earmarked allocations

5. (1) The Provincial Treasury may withhold or stop the transfer of funds in respect of an earmarked allocation to a provincial department if that department, or any other recipient organ of state for which that department is responsible, is in serious or persistent material breach of the measures contemplated in section 4(3) in respect of the earmarked allocation.

(2) The Provincial Treasury must, before withholding an earmarked allocation in terms of subsection (1), give the provincial department concerned—

- (a) written notice of its intention to withhold the earmarked allocation; and
- (b) an opportunity to submit written representations why the earmarked allocation should not be withheld.

(3) The Provincial Treasury may, where it stops an earmarked allocation in terms of this section, after consultation with the provincial department concerned, provide in an adjustments budget that a part of the earmarked allocation that is not spent be reallocated to any other provincial department.

(4) The Provincial Treasury must, where it stops an earmarked allocation in terms of this section, publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*.

Withholding of conditional allocations

6. (1) A transferring provincial officer may withhold the transfer to a municipality of a conditional allocation or any part of such an allocation for a period not exceeding 30 days if—

- (a) the municipality does not comply with the conditions to which the allocation is subject in terms of the framework concerned; or
- (b) expenditure on previous transfers during the municipal financial year reflects significant underspending for which no satisfactory explanation is given.

(2) A transferring provincial officer must, at least seven days or the shorter period approved by the Provincial Treasury, before withholding an allocation in terms of subsection (1)—

- (a) give the municipality concerned—
 - (i) written notice of his or her intention to withhold the allocation; and
 - (ii) an opportunity to submit written representations, within those seven days or that shorter period, why the allocation should not be withheld; and
- (b) inform the Provincial Treasury and the provincial department responsible for local government of his or her intention to withhold the allocation.

(3) A notice contemplated in subsection (2) must include the reasons for withholding the allocation and the intended duration of the withholding.

(4)(a) The Provincial Treasury may, when a transferring provincial officer withholds an allocation in terms of subsection (1), instruct that officer, or approve a request from that officer, to withhold the allocation for a period longer than 30 days, but not exceeding 120 days, if the withholding—

- (i) facilitates compliance with the conditions to which the allocation is subject; or
- (ii) minimises the risk of underspending.

(b) A transferring provincial officer must, when requesting the withholding of an allocation as contemplated in paragraph (a), provide the Provincial Treasury with proof of compliance with subsection (2) and a copy of all representations received from the municipality concerned.

(c) The transferring provincial officer must again comply with subsection (2) when the Provincial Treasury instructs or approves a request that an allocation be withheld in terms of paragraph (a).

Stopping of conditional allocations

7. (1) Despite section 6, the Provincial Treasury may, in its discretion or at the request of a transferring provincial officer, stop the transfer of a conditional allocation or any part of such an allocation to a municipality—

- (a) on the grounds of serious or persistent material breach of the conditions to which the allocation is subject in terms of the framework concerned; or
- (b) if the Provincial Treasury anticipates that the municipality will substantially underspend on the programme or allocation concerned in the current municipal financial year.

(2) The Provincial Treasury must, before stopping an allocation in terms of this section—

- (a) give the municipality concerned—
 - (i) 21 days' written notice of the intention to stop the allocation; and
 - (ii) an opportunity to submit written representations within those 21 days why the transfer of the allocation or part thereof should not be stopped; and
- (b) consult the provincial minister responsible for the provincial department that transfers the conditional allocation.

(3) The Provincial Treasury must, where it stops an allocation in terms of subsection (1), publish a notice of the stopping, together with an explanatory memorandum, in the *Provincial Gazette*.

(4) The Provincial Minister must report the stopping of the allocation to—

Transfers made in error

9. (1) The transfer of an allocation made in error to a municipality is regarded as not legally due to that municipality. 10

(2) A transfer contemplated in subsection (1) must be recovered, without delay, by the responsible transferring provincial officer.

(3) Despite subsection (2), the Provincial Treasury may instruct that the recovery contemplated in subsection (2) be effected by set-off against future transfers due to the municipality. 15

Unspent conditional allocations

10. (1) Subject to the Public Finance Management Act, the Local Government: Municipal Finance Management Act and the Division of Revenue Act, any conditional allocation that is not spent by a municipality by the end of a municipal financial year reverts to the Provincial Revenue Fund, unless the receiving municipal officer concerned can prove to the satisfaction of the Provincial Treasury and the transferring provincial officer that the unspent allocation is committed to identifiable projects. 20

(2) The Provincial Treasury may, at the request of a transferring provincial officer or a municipality contemplated in subsection (1), approve that the conditional allocation be retained by the municipality to be spent in the next municipal financial year. 25

(3) Any funds that must revert to the Provincial Revenue Fund in terms of subsection (1) and that have not been approved by the Provincial Treasury to be retained in terms of subsection (2) must be repaid by the municipality to the Provincial Revenue Fund. 30

(4) The Provincial Treasury may, in accordance with subsection (5), set off any funds that must be repaid to the Provincial Revenue Fund in terms of subsections (1) and (3) but that have not been repaid against future conditional allocations to that municipality.

(5) Before the Provincial Treasury sets off any amounts against future conditional allocations to a municipality in terms of subsection (4), the Provincial Treasury must give the transferring provincial officer and receiving municipal officer concerned— 35

- (a) written notice of its intention to set off amounts against upcoming payments for conditional allocations; and
- (b) an opportunity, within 14 days of receipt of the notice referred to in paragraph (a), to— 40

 - (ii) propose alternative means acceptable to the Provincial Treasury by which the unspent conditional allocations will be repaid to the Provincial Revenue Fund; or 45
 - (iii) propose an alternative payment arrangement in terms of which the unspent conditional allocations will be repaid to the Provincial Revenue Fund. 50

- (c) may be withdrawn or amended in writing by the Provincial Minister;
- (d) does not divest the Provincial Treasury of the responsibility regarding the exercise of the delegated power or the performance of the assigned duty; 10

- (f) may permit the further delegation of that power or further assignment of that duty to another employee in the Provincial Treasury or the holder of a specific office or position in the Provincial Treasury, in which case paragraphs (a) to 15

(e) apply, with the necessary changes.

(3) The Provincial Minister may confirm, vary or revoke any decision taken by the Head of Department as a result of a delegation or assignment in terms of subsection (1), or by another employee of the Provincial Treasury or holder of a specific office or position in the Provincial Treasury as a result of a further delegation or further 20 assignment in terms of subsection (2)(f), subject to any rights that may have become vested as a consequence of the decision.

MEMORANDUM ON THE OBJECTS OF THE WESTERN CAPE APPROPRIATION BILL

1. BACKGROUND

- 1.1 The Bill provides for the appropriation of money from the Provincial Revenue Fund for the requirements of the Province in the 2025/26 financial year.
- 1.2 If the Bill is not enacted before the start of the financial year, in terms of section 29 of the Public Finance Management Act, 1999 (Act 1 of 1999) (the PFMA), read with section 3 of the Western Cape Direct Charges Act, 2000 (Act 6 of 2000), only 45% of the amount appropriated in the previous budget may be withdrawn from the Provincial Revenue Fund as a direct charge against the Fund during the first four months of the financial year and 10% per month in the following months, and the total amount withdrawn may in aggregate not exceed the total amount that was appropriated in the previous budget.

2. CONTENTS OF THE BILL

2.1 Clause 1

Clause 1 incorporates the definitions used in the PFMA into the Bill and adds several definitions.

2.2 Clause 2

Clause 2 provides for the appropriation of money by the Provincial Parliament from the Provincial Revenue Fund for the requirements of the Province in the 2025/26 financial year, to votes and main divisions within a vote, and for the specific listed purposes set out in the Schedule.

2.3 Clause 3

Clause 3 provides that the amounts listed in the Schedule as specifically and exclusively appropriated and that refer to national conditional grants may be used only for the purpose stipulated in the Division of Revenue Act, 2025, and in accordance with the framework published in terms of that Act. It also provides that earmarked allocations may be used only for the purpose stipulated in the Schedule and in accordance with the directives issued from time to time by the Provincial Treasury.

2.4 Clause 4
