No. of copies printed 1 800

BILL

To provide for the appropriation of money from the National Revenue Fund for the requirements of the State in the 2008/09 financial year; and to provide for matters incidental thereto.

PREAMBLE

WHEREAS section 213(2) of the Constitution of the Republic of South Africa, 1996, provides that money may be withdrawn from the National Revenue Fund only in terms of an appropriation by an Act of Parliament;

AND WHEREAS section 26 of the Public Finance Management Act, 1999 (Act No. 1 of 1999), provides that Parliament must appropriate money for each financial year for the requirements of the State,

BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows:—

Definitions

1. In this Act, unless the context indicates otherwise, any meaning ascribed to a word or expression in section 1 of the Public Finance Management Act must bear the meaning so ascribed, and—

“**conditional grants**” means conditional allocations to provinces, local government or municipalities from the national government’s share of revenue raised nationally, contemplated in section 214(1)(c) of the Constitution of the Republic of South Africa, 1996;

“**current payments**” means any payment made by a national department in respect of the operational requirements of that department, and includes payments for the compensation of employees, goods and services, interest, rental of immovable property and financial transactions relating to assets and liabilities, but excludes transfers and subsidies, payments for capital assets and payments made under section 73 of the Public Finance Management Act;

“**payments for capital assets**” means any payment made by a national department—

(a) for an asset that can be used continuously or repeatedly in production for more than one year, and which is expected to have future economic benefits or service potential for the national department making the payment; and

(b) that must be classified as or deemed to be a payment for capital assets in accordance with the *Reference Guide to the new Economic Reporting Format* (November 2003, Version 2) and the *Asset Management Framework* (April 2004, Version 3.3), issued by the National Treasury under section 76 of the Public Finance Management Act;

“**Public Finance Management Act**” means the Public Finance Management Act, 1999 (Act No. 1 of 1999);

“**transfers and subsidies**” means any payment made by a national department to another organ of state or to a person or organisation outside government in respect of which the national department does not receive a direct benefit of similar value in return, and includes the payment of conditional grants.

Appropriation of money for requirements of State

2. (1) Appropriations by Parliament of money from the National Revenue Fund for the requirements of the State in the 2008/09 financial year, to votes and main divisions within a vote, and for the specific listed purposes, are set out in the Schedule.

(2) The spending of appropriations contemplated in subsection (1) is subject to the Public Finance Management Act. 5

Appropriation listed as specifically and exclusively

3. (1) The Minister may—

(a) impose a condition in respect of an appropriation listed as specifically and exclusively in the Schedule in order to promote and enforce transparency and effective management in respect of revenue, expenditure, assets and liabilities of departments, public entities and constitutional institutions contemplated in section 6(1)(g) of the Public Finance Management Act; and 10

(b) stop any allocation in terms of such appropriation until the condition imposed by the Minister is met. 15

(2) An amount stopped in terms of subsection (1)(b) must be reported to Parliament and the Auditor-General at the tabling of the next appropriation legislation in Parliament after the commencement of this Act.

Utilisation of saving

4. Despite the provisions of any law, the National Treasury may approve the utilisation of a saving in an amount appropriated under a vote for transfer to a specific institution, other than an amount specifically and exclusively appropriated, for any other purpose within that vote. 20

Short title

5. This Act is called the Appropriation Act, 2008. 25

SCHEDULE

Vote			Current Payments	Transfers and Subsidies	Payments for Capital Assets
		R'000	R'000	R'000	R'000
1	The Presidency <i>Aim: To lead, manage and develop the strategic agenda of government and oversee and ensure its realisation by government as a whole</i>	290 040	254 519	28 440	7 081
