

To all Credit Insurers

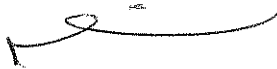

REQUEST FOR INFORMATION IN TERMS OF SECTION 16(2)(b) OF THE NATIONAL CREDIT ACT, No. 34 of 2005 (“The Act”)

For the purposes of fulfilling its responsibilities in terms of section 16(1)(f)(i) of the Act to monitor trends in the market in respect of credit insurance, it has become necessary for the National Credit Regulator to require information beyond that which has until now been supplied by credit insurers through the submission of Form 45.

Section 16(2)(b) of the Act entitles the National Credit Regulator to request further information from credit insurers, and in terms of that provision you are requested to comply with the attached Request For Information. For logistical reasons the information that is still needed from Form 45 is incorporated in the Request for Information.

Guidance for the submission of the requested information is provided in the attached Guideline No. 001/2012.

Yours faithfully

.....
