Dear Honourable Speaker

CORRECTION OF EDITING ERROR IN RESPECT OF NATIONAL TREASURY ANNUAL PERFORMANCE PLAN FOR 2018/19

I hereby wish to inform you of an editing correction of National Treasury's 2018/19 Annual Performance Plan (APP). The amendment requested is in respect of Performance Indicator 5.8.1 on page 79 of the printed version of the APP.

The Performance Indicator refers to the "Number of tenders advertised on an electronic tendering platform for transversal contracts". In the interest of correct performance information and to assist in the auditing process for performance indicators, the reference to "transversal" should not appear and the Performance Indicator should thus read as follows: "Number of tenders advertised on an electronic tendering platform for contracts."

It should be noted that the error arose from an editing fault. End note 59 on page 118, which is correct, records that the 2017/18 indicator "Number of tenders advertised on an electronic tendering platform for transversal contracts" has been amended to "Number of tenders advertised on an electronic tendering platform for contracts". It is thus evident that the intention was to exclude the reference to "transversal" in this indicator for the 2018/19 APP. The inadvertent error of retaining the "transversal" reference in the indicator would result in the target being unachievable as there are significantly less transversal contracts in existence than the target figure of 10 000.

Yours sincerely .
