#### **QUESTION NUMBER 1109**

DATE OF PUBLICATION: 24 JUNE 2005

**DUE FOR SUBMISSION TO PARLIAMENT: 7 JULY 2005** 

## MR I O DAVIDSON (DA) TO ASK THE MINISTER OF FINANCE:

- (1) Whether, as required by section 55(1) of the Public Finance Management Act (PFMA), Act 1 of 1999, all the public entities for which the National Treasury is responsible have submitted their financial statements by 31 May 2005; if not, (a) which entities have failed to comply with the requirements of this section and (b) why have they failed to do so;
- (2) whether the National Treasury has taken any steps to assist any of the abovementioned entities; if not, why not; if so, what steps?

  N1465E

#### REPLY:

- (1) (a) All public entities had to submit annual financial statements (AFS) in their own draft format and also in the format prescribed by the Office of the Accountant General (OAG). Public entities reporting to the Minister of Finance (annexure A) have submitted in one form or another, their unaudited AFS in terms of section 55(1)(c) of the PFMA except for the South African Reserve Bank (SARB), Financial Intelligence Centre (FIC) and the Financial and Fiscal commission (FFC).
  - (b) The SARB was still consolidating their AFS input by 31 May 2005 and eventually submitted on 7 June 2005.

The FIC submission experienced internal delays but eventually submitted on 10 June 2005.

The FFC submission experienced internal delays that were compounded by the prescribed OAG template, but eventually submitted on 8 June 2005.

(2) National Treasury was always in contact with the defaulting entities before and after the deadline for submission. Official reminders for submission were sent through the office of the Chief Financial Officer (CFO) that also clarified problem areas through the OAG regarding the template entities had to complete.
