

NATIONAL ASSEMBLY
QUESTION FOR WRITTEN REPLY
QUESTION NUMBER 575
DATE OF PUBLICATION: 5 MARCH 2010

Mr G R Krumbock (DA) to ask the Minister of Finance:

How much tax revenue is collected by the SA Revenue Service (SARS) from stakeholders in the tourism industry for every rand received?

NW690E

REPLY:

Tourism is not a predefined sector within which SARS taxes are tracked. As tourism spend is distributed over a variety of sectors and spend within these sectors does not differentiate between business travel and tourism, it is not possible to isolate and extract tourism specific collections data.
