**1034. Mr N J J van R Koornhof (Cope) to ask the Minister of Finance:**

Whether the SA Revenue Service has rendered any services at the Waterkloof Air Force Base airport since 1 January 2010; if so, what are the relevant details?

NW1260E

**REPLY:**

Yes. South African Revenue Service (SARS) has rendered services at the Waterkloof Air Force base since 01 January 2010 as and when they are officially requested to do so. Where appropriate, persons arriving at the Waterkloof Air Force base are required to make declarations on the prescribed customs form.

In the case of Flight JA 9900, although Customs officers were not present when the flight landed, within hours all passengers were required to make the necessary Customs declarations in the relevant Customs forms. All Customs requirements were complied with on departure.
