**REPLY:**

- (a) According to statistics obtained, participating government institutions have spent an estimated amount of R179 675 926 between 2010 and 2015 on this contract. Of which R120 120 892 was spent during 2010-2012 contract cycle and R59 555 033 was spent during 2013-2015 contract cycle.
- (b) To break this information down per department per year is a challenge as some departments enter comprehensive cleaning contracts that include the supply of toilet paper.
