QUESTION NUMBER: 2731 [NW3038E]

DATE OF PUBLICATION: 08 September 2017

2731. Mr D C Ross (DA) to ask the Minister of Finance:

Whether a certain company (Jim Aviation SA) plays any role with regard to the contract concluded between SA Airways Technical and a certain company (Allen Aircraft Radio Corporation); if so, (a) what are the full details of the (i) role that the specified company is playing and (ii) value of its involvement in the specified contract and (b) who are the (i) directors and (ii) shareholders of the specified company? NW3038E

REPLY:

JM Aviation was, as at the time of the tender submission, and still is a BEE partner of AAR. SAA is not privy to the commercial agreement between AAR and JM Aviation and thus is not in a position to respond to the specifics around each party's role with regard to the contract concluded between SAAT and AAR/JM Aviation. SAAT's interactions in accordance with the contract are through a dedicated individual who is tasked with the client liaison and quarterly contract review.
