REPLY:

- 1(a) National Treasury only has access to payments information from national and provincial departments using the BAS payment system. In order to search for information against individuals, the National Treasury would need the identification numbers as a search by names may result in inaccurate results.
- 1(b) A search was done on the BAS payment system for the period 1 April 2017 to date and no payments were found that were made to the entities or initiatives mentioned. (name and details furnished)
- 2 The National Treasury is not aware of any application of any nature to obtain state funding and/or tenders by the specified persons, entities and/or initiatives.
