Evaluation Criteria 1: Company Experience Scoring Calculation Formula as per Table 1: Technology Stacks above. A spreadsheet for Formulas will be used to do evaluations.

- Total OEM Score = (Sum of Certification Points Allocation per platform / Number of platforms) X OEM Weight (%) Allocation
- Total Company Experience = (Sum of Total OEM Scores * 15% weight for evaluation criteria number 1)

6. SCOPE OF WORK

This bid covers the provision of various resources by the successful bidder(s) on and as and when needed basis for the 3 years.

6.1 Expertise Required

The National Treasury will provide a specification to the successful bidder(s) for each assignment and skills level (advanced and/or expert) required.

6.2 Project Deliverables

The success of the assignment will be measured by the delivery and sign-off of specified and agreed upon deliverables by both parties.

6.3 Timeframe

The appointment of the bidder(s) will be effective for the 3 years. During this period, the National Treasury may at any time, request a specific skill set. The bidder(s) will be given 4 hours to respond to the request. The bidder will be requested to deliver services as per urgency of the request and agreed upon deliverables and timelines. This will be stipulated in the Service Level Agreement (SLA) between both parties.

Each assignment will be separately planned and managed with specified timescales and will be managed to completion as per the agreed deliverables, and payment will be made on sign-off of the agreed deliverables or pre-defined milestones in accordance with the provisions of the Master Service Agreement and Service Level Agreement.

6.4 Security Requirements

All resources will be required to sign an Oath of Secrecy and submit security vetting information as per the National Treasury security policy as stated in the Special Conditions of Contract.

6.5 Reporting

The successful bidder(s) will be required to report on assignment progress from the commencement of the assignment until the assignment closes out according to the reporting requirements by the National Treasury. The frequency of the reports required will be according to the deliverables with a minimum frequency of once a week.

6.6 Location of Assignment

The National Treasury has 5 locations nationally and the resources could be required at the following premises:

- SITA John Vorster Drive, Centurion, Pretoria, 0001.
- 240 Madiba Street, Pretoria CBD, 0001.

7.3 Terms and Conditions

- The bidder(s) are required to indicate the services they will provide as listed in Section 3 of the Terms of Reference.
- The bidder should indicate if any part of the services will be outsourced and provide details on the scope of the outsourced portion.
- The successful bidder(s) and its employees or consultants will have to undergo a mandatory security clearance process. The National Treasury reserves the right to cancel, terminate or not award the contract to a company that either doesn't avail itself for a security clearance or fails such. The successful bidder will also enter into a non-disclosure agreement with the National Treasury.
- CV's may be submitted if the employee is employed or affiliated with the company submitting
 the CV. The resources whose CVs are presented as part of the bid must be available for
 providing the service at National Treasury sites. If the resource is not available, National
 Treasury reserves the right to accept or reject the replacement CVs presented. The bidder will
 be responsible for providing the similar desired replacement resources should the replacement
 CVs be rejected by National Treasury.
- Price proposal should be provided indicating the cost of each area of service on skills level (advanced and expert). Bidder(s) must provide 1 CV (ANNEXURE 1 below) of each candidate for each of the roles under service categories listed together with pricing on the 2 levels of skills (advanced and expert) to comply, failure to do so will disqualify the bidder. For evaluation purposes as detailed under Section 5 and 8, only 1 CV of the nominated qualified resource will be used.
- In the event of key personnel resigning, the bidder must inform National Treasury.
- The bidder must undertake to conclude a Master Service Agreement (MSA) and Service Level Agreement (SLA) in agreement with the National Treasury. The MSA and SLA must consist of, but is not limited to the following:
 - Clear description of the required services and deliverables
 - Defined payment terms for the service.
 - Agreement on the timeline.
 - Agreement that the successful bidder shall be a single point of contact for the service.
 In a case where bidder outsourced services, bidder will manage the National Treasury outsourced company directly
 - Agreement that the successful bidder must provide qualified personnel who have undergone necessary training and certification to provide the required service. Should the skill/s not be available in-house, this must be specified.

• In case the resources whose CVs were used for the submission of this tender, are no longer available during the assignment of the services required, the bidder must assign the resource with similar skill set and the National Treasury will assess the CV and grant approval. The bidders must not nominate the resources that are over a retirement age for evaluation purposes.

7.4 Bid Submission

Bidders must respond to the TOR and follow the prescribed formats provided ICT requires specific professional services for the software development related projects as indicated in the TOR and these must be addressed by the bidder.

Key personnel must be carefully chosen by the bidder and well-motivated through the curricula vitae (CVs). The format of the CVs must be strictly in accordance with the format indicated in **(ANNEXURE A1)** below. Non-compliance with the format provided and a lack of signed declaration by the described individual will result in disqualification of the CV. CV's must be signed by the proposed resource and not signed on behalf of the proposed resource.

CV's may be submitted if the employee is employed or affiliated with the company submitting the CV. Proof of employment with affiliation to the company could be requested. The resources whose CVs are presented as part of the bid must be available for providing the service at National Treasury sites. If the resource is not available, National Treasury reserves the right to accept or reject the replacement CVs presented. The bidder will be responsible for providing the similar desired replacement resources should the replacement CVs be rejected by National Treasury.

Bidders are advised to submit relevant qualifications/ certificates for all nominated resources and list them on the Annexure 1.

In the event of key personnel resigning, the bidder must inform National Treasury.

7.5 Competency, Experience and References

Submitted CVs for individual consultants must indicate that they have specific experience in the provision of the required competencies and bidder(s) are required to submit the contact details of at least three (3) recent references who will confirm that the individual consultants have carried out similar work to that stated in their CVs.

Bidder(s) should ensure that the CVs they submit are for individuals who would be willing to carry out ICT assignments. CVs of an organisation's senior managerial staff, albeit highly qualified individuals, should not be submitted unless these individuals are prepared to give full commitment to actively carrying out ICT assignments.

ICT reserves the right to contact references as per the prescribed reference template (Annexure 2) during the evaluation and adjudication process to obtain information.

8. ANNEXURE 1: CURRICULUM VITAE TEMPLATES

Notes:

- The CV format provided must be strictly adhered to. Non-compliance will result in the CV being rejected
- The CVs must specifically and clearly address the service requirements for evaluation purposes.
- Only CV's may be submitted if the employee is employed or affiliated with the company submitting the CV. Proof of employment or affiliation with the company could be requested.
- CV's must be signed by the proposed resource.
- Resources may only be submitted by one company. Please ensure that provided CV's do not appear
 in more than one bid, failing which the CV will be disqualified.

- f) Individual value scores will be multiplied with the specified weighting for the criterion to obtain the marks scored for all elements. These marks will be added and expressed as a fraction of the best possible score for all criteria.
- g) This score will be converted to a percentage and only bidders that have met or exceeded the minimum threshold of 60% for functionality will be evaluated and scored in terms of pricing and socio-economic goals as indicated hereunder.
- h) Any proposal not meeting a minimum score of 60% for functionality proposal will be disqualified and the financial proposal will remain unopened
- i) The value scored for each criterion will be multiplied with the specified weighting for the relevant criterion to obtain the marks scored for each criterion. These marks will be added and expressed as a fraction of the best possible score for all criteria.

1.1.4 Phase III: Price/Financial stage and B-BBEE

Price/ Financial proposals must be submitted in South African Rand.

NT reserves the right to negotiate rates submitted by bidders.

NB: The Cost /fee structure must contain the pricing schedule (SBD 3.3), which includes: the total bid prices for stated time frame and bill of quantities/scope of work for procurement of goods and services, the recurring, the maintenance cost and the disbursement cost if applicable.

2. EVALUATION CRITERIA

- a. In terms of regulation 5 of the Preferential Procurement Regulations pertaining to the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000), responsive bids will be adjudicated by the State on the 90/10-preference point for Broad–Based Black economic empowerment in terms of which points are awarded to bidders on the basis of:
 - The bidded price (maximum 90 points)
 - Broad-based black Economic Empowerment as well as specific goals (maximum 10 points)
- b. The following formula will be used to calculate the points for price in respect of bidders with a Rand value above R50 000 000:

$$Ps = 90 \left(1 - \frac{Pt - P \min}{P \min} \right)$$

Where

Ps = Points scored for comparative price of bid under consideration

Pt = Comparative price of bid under consideration

Pmin = Comparative price of lowest acceptable bid

A maximum of 10 points may be awarded to a bidder for being a Broad-Based Black Economic Empowerment and/or subcontracting with a Broad-Based Black Economic Empowerment stipulated in the Preferential Procurement regulations. For this bid the maximum number of Broad-based black Economic Empowerment status that could be allocated to a bidder is indicated in paragraph 2.1.

- c. The State reserves the right to arrange contracts with more than one contractor.
- d. It is the Government's intention to promote the following Broad-Based Black Economic Empowerment with this bid, and the points to be allocated are indicated against each level of contributor

2.1 POINTS

The Preferential Procurement Regulations 2017 were gazetted on 20 January 2017 (No. 40553) with effect from 1 April 2017. These regulations require bidders provide relevant proof of their B-BBEE Status Level, the 90/10 preference points systems will be applied in accordance with the formula and applicable points provided for in the respective status level contributor tables in the Regulations.

B-BBEE Status Level of Contributor	Number of points (90/10 system)
1	10
2	9
3	8
4	5
5	4
6	3
7	2
8	1
Non-compliant contributor	0

Failure to submit a fully complete B-BBEE certificates / sworn affidavit will lead to no award of points for preference.

- a. The points scored by a bidder in respect of points indicated above will be added to the
- b. points scored for price.
- c. Bidders are requested to complete the various preference claim forms in order to claim preference points.
- d. Only a bidder who has completed and signed the declaration part of the preference claim form will be considered for B-BBEE status.
- e. National Treasury may, before a bid is adjudicated or at any time, require a bidder to substantiate claims made with regard to their B-BBEE status.
- f. Points scored will be rounded off to the nearest 2 decimals.
- g. In the event that two or more bids have scored equal total points, the contract will be awarded to the bidder scoring the highest number of points for B-BBEE status. Should two or more bids be equal in all respects, the award shall be decided by drawing of lots. A contract may, on reasonable and justifiable grounds, be awarded to a bid that did not score the highest number of points.

e. Joint Ventures, Consortiums and Trusts

- A trust, consortium or joint venture, will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits their B-BBEE status level certificate.
- A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate bid.
- Bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements. National Treasury will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.
- The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, with the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.

I. Subcontracting after award of tender

- A person awarded a contract may only enter into a subcontracting arrangement with the approval of the organ of state.
- A person awarded a contract in relation to a designated sector, may not subcontract in such a manner that the local production and content of the overall value of the contract is reduced to below the stipulated minimum threshold.
- A person awarded a contract may not subcontract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level of contributor than the person concerned, unless the contract is subcontracted to an EME that has the capability and ability to execute the subcontract.

3. MANDATORY REQUIREMENTS

National Treasury may communicate with bidders for, among others, where bid clarity is sought, to obtain information or to extend the validity period. Any communication either by facsimile, letter or electronic mail or any other form of correspondence to any government official, department or representative of a testing institution or a person

acting in an advisory capacity for the National Treasury in respect of this bid between the closing date and the award of the bid by the bidder is prohibited.

9. LATE BIDS

Bids received at the address indicated in the bid documents, after the closing date and time will not be accepted for consideration and where applicable, be returned unopened to the bidder.

10. COUNTER CONDITIONS

Bidders' attention is drawn to the fact that amendments to any of the Special Conditions by bidders will result in such bids being disqualified.

11. PROHIBITION OF RESTRICTIVE PRACTICES

- a. In terms of section 4(1) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is/ are or a contractor(s) was/were involved in:
 - directly or indirectly fixing a purchase or selling price or any other trading condition;
 - dividing markets by allocating customers, suppliers, territories or specific types of goods or services; or
 - collusive bidding.
- b. If a bidder(s) or contractor(s), in the judgment of the purchaser, has/have engaged in any of the restrictive practices referred to above, the purchaser may, without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered or terminate the contract in whole or in part and refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

11. FRONTING

a. The National Treasury supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background the National Treasury condemns any form of

fronting.

b. The National Treasury, in ensuring that bidders conduct themselves in an honest

manner will, as part of the bid evaluation processes, conduct or initiate the

necessary enquiries/investigations to determine the accuracy of the representation

made in bid documents. Should any of the fronting indicators as contained in the

Guidelines on Complex Structures and Transactions and Fronting, issued by the

Department of Trade and Industry be established during such enquiry/investigation,

the onus will be on the bidder / contractor to prove that fronting does not exist. Failure

to do so within a period of 14 days from date of notification may invalidate the

bid/contract and may also result in the restriction of the bidder/contractor to conduct

business with the public sector for a period not exceeding ten years, in addition to

any other remedies the National Treasury may have against the bidder/contractor

concerned.

 - the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
 - the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2

- a) The value of this bid is estimated to exceed R50 000 000 (all applicable taxes included) and therefore the 90/10 preference point system shall be applicable; or
- b) The 90/10 preference point system will be applicable to this tender
- 1.3 Points for this bid shall be awarded for:
 - (a) Price; and
 - (b) B-BBEE Status Level of Contributor.
- 1.4 The maximum points for this bid are allocated as follows:

	POINTS
PRICE	90
B-BBEE STATUS LEVEL OF CONTRIBUTOR	10
Total points for Price and B-BBEE must not exceed	100

- 1.5 Failure on the part of a bidder to submit proof of B-BBEE Status level of contributor together with the bid, will be interpreted to mean that preference points for B-BBEE status level of contribution are not claimed.
- 1.6 The purchaser reserves the right to require of a bidder, either before a bid is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the purchaser.

2. **DEFINITIONS**

- (a) "B-BBEE" means broad-based black economic empowerment as defined in section 1 of the Broad-Based Black Economic Empowerment Act;
- (b) "B-BBEE status level of contributor" means the B-BBEE status of an entity in

terms of a code of good practice on black economic empowerment, issued in terms of section 9(1) of the Broad-Based Black Economic Empowerment Act;

- (c) "bid" means a written offer in a prescribed or stipulated form in response to an invitation by an organ of state for the provision of goods or services, through price quotations, advertised competitive bidding processes or proposals;

General Conditions of Contract

1. Definitions

- 1. The following terms shall be interpreted as indicated:
- 1.1 "Closing time" means the date and hour specified in the bidding documents for the receipt of bids.
- 1.2 "Contract" means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- 1.3 "Contract price" means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
- 1.4 "Corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
- 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
- 1.6 "Country of origin" means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
- 1.7 "Day" means calendar day.
- 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
- 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
- 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
- 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with

supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

11. Insurance

11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
 - (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and

- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- 13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

- 14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:
 - (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
 - (b) in the event of termination of production of the spare parts:
 - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
 - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

15. Warranty

- 15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- 15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract amendments

18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment

19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.

- 21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

23. Termination for default

- 23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
 - (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
 - (b) if the Supplier fails to perform any other obligation(s) under the contract; or
 - (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

24. Anti-dumping and countervailing duties and rights

24.1 When, after the date of bid, provisional payments are required, or antidumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him

25. Force Majeure

- 25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
- 25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
 - (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
 - (b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of liability

- 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;
 - (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss

or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

29. Governing language

29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

31. Notices

- 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

32. Taxes and duties

- 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.
