1. INTRODUCTION

The Office of the Chief Procurement Officer (OCPO) within National Treasury (NT) was established to modernize and automate supply chain management processes with a view of improving public sector procurement performance.

A need to review the manner of procuring certain strategic commodities/categories has been identified. Travel & Accommodation has been identified as one such category. The Chief Directorate: Strategic Procurement undertook research and developed sourcing approaches for:

1. Travel Management Services
2. Domestic Air Transport
3. Domestic Accommodation

Travel & Accommodation is such a diverse commodity and some of the sub-commodities that must still be addressed are:

1. Car Rental Services
2. Shuttle Services
3. Events Management / Conferencing

Given the capacity constraints within the OCPO, and the timeframes within which the implementation of the sourcing approaches must be achieved, it has become necessary to augment the internal capacity with additional external resources.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
